Interim Spending Resolution

In accordance with NC GS 115C-434, a resolution is required to permit expenditure of all funds between July 1 and the adoption of budgets by the Board of Education. This will allow for the paying of salaries and usual operating expenses of the school system until such time as the Budget Resolution can be adopted. This request is to authorize expenditures at the same level as previously approved for the 2021-2022 school year. Recommending a resolution at this spending level early in the fiscal year should not cause problems if additional cuts are required.

RESOLUTION: Be it, therefore, resolved that the Caswell County Board of Education authorizes an appropriation of funds at the same level as 2021-2022 for the purpose of paying salaries and usual and ordinary expenses for the period of July 1, 2022 until adoption of the Budget Resolution for 2022-2023.
