

Our school is proud to partner with the Rose Bowl Aquatics Center (RBAC) to provide our 3rd grade students with 15 special water safety and learn-to-swim lessons. Each student will receive:

- Swim Suit
- Fresh Towels Daily
- Water Safety Workbook
- Transportation
- Free Family Swim Pass

Students will learn ways to be safe around pools, the beach and other bodies of water.

No child should ever drown, but the fact is that 10 people drown every day in the United States. According to Pediatrics & Adolescent Medicine, participation in formal swim lessons like the ones children take in the **Rose Bowl Aquatics Challenge** teach skills that can save lives and can reduce the likelihood of childhood drowning by 88%.

The program at the Rose Bowl Aquatics Center is designed to achieve three goals:

- (1) Teach our students ways to be safe around water
- (2) Provide swimming instruction so our students will gain skills for a lifetime of healthy recreation
- (3) Help students and families learn how to access health and recreation programs available year-round at the RBAC

Our families are invited to visit the RBAC for five FREE recreational swim sessions!

Each student will receive a Family Swim Pass good for five free recreational swim sessions. We hope every family will take this opportunity to visit the RBAC, learn about programs for people of all ages and all abilities, picnic in the park and have fun. Not only will everyone have a wonderful time, but parents will have an opportunity to see how much their children are learning.

PARENTS AND GRANDPARENTS, PLEASE COME TO THE RBAC FOR FIVE FREE FAMILY SWIM SESSIONS. All of us in the 3rd grade want to show you what we have learned!

Learning to swim is a life-changing experience.

It opens the door of opportunity for our children to learn a new way of exercising and to see what they can accomplish if they are willing to work hard. Our children may see themselves striving to become members of a high school or college swim team, or, later on, swim instructors, lifeguards, coaches, camp counselors and aquatic therapists.

A VERY SPECIAL THANK YOU

to the following for providing the generous donations that help make this program possible:

LA84 Foundation

Pasadena Child Health Foundation

Anonymous Private Donor

Pasadena Educational Foundation
