PUSD GRANT BREAKDOWN

EDUCATION INNOVATION & RESEARCH

The Education Innovation & Research Grant will improve student outcomes through enhancing school disciplinary practices by

finding **root causes** of behavioral problems

utilizing **restorative practices**

and **social emotional learning**

using **$3,993,142** over **4 years**

MENTAL HEALTH SERVICE PROFESSIONAL DEMONSTRATION

The Mental Health Service Professional Demonstration Grant will **increase the number of mental health service providers** in high need schools by partnering with the **USC School of Social Work**.

USC Suzanne Dworak-Peck School of Social Work

PUSD will be able to **hire up to 20 interns and recent graduates** and more than **double** the number of supervisors.

This increase in part time workers will allow mental health services **reach every PUSD school.**

Students will have increased access to school counseling to address issues such as

trauma

anxiety

and other mental health problems

using **$2,469,808** over **5 years**.

PROJECT PREVENT

Funded by the U.S. Department of Education, Project Prevent will serve high needs students, schools, and communities.

This will increase PUSD's ability to **break the cycle of violence** by:

- providing **mental health services** for trauma and anxiety
- supporting **conflict resolution** programs
- implementing **evidence based strategies** to improve school environments

These strategies include:

Hiring a **juvenile diversion counselor** to work with **students exposed to pervasive violence.**

Hiring a counselor to **support students identified with traumatic incidents**.

Funding one **Pasadena Police Department officer** to work with PUSD at risk youth.

using **$4,213,607** over **5 years**.

STOP: SCHOOL VIOLENCE ASSESSMENT GRANT PROGRAM

The STOP Grant will provide security & vulnerability assessments at each school and district facility, conducted by newly trained Community Assessment Teams.

PUSD will form a multi-disciplinary team with the help of the Los Angeles Department of Mental Health SMART Program.

LOS ANGELES COUNTY DEPARTMENT OF MENTAL HEALTH hope. recovery. wellbeing.

This team will be staffed by

licensed mental health professionals

school resource officers

and deputies from the Sheriff's department

using **$249,723** over **3 years**.

COPS: COMMUNITY ORIENTED POLICING SERVICES

Funded by the US Department of Justice, the COPS project will coordinate with local law enforcement on a number of initiatives.

PASADENA POLICE DEPARTMENT

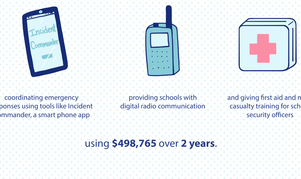

These initiatives include

training local enforcement officers to prevent student violence against others and themselves

implementing a visitor management system

establishing formal video surveillance

coordinating emergency responses using tools like Incident Commander, a smart phone app

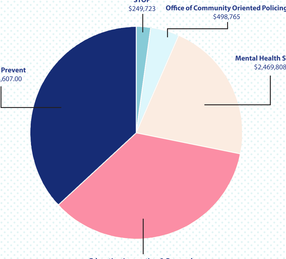

providing schools with digital radio communication

and giving first aid and mass casualty training for school security officers

using **$498,765** over **2 years**.

FINAL GRANT BREAKDOWN

PUSD will receive **$11,425,585** in total.
