Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program
Comprehensive Support and Improvement

The Single Plan of Student Achievement (SPSA) is the Norma Coombs Elementary School (NCES)' commitment to the cycle of continuous improvement, and to ensure that all students succeed in reaching academic standards.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

The Norma Coombs Elementary School (NCES) SPSA was developed with meaningful collaboration with teachers, administrator, instructional Coach, and the parents of NCES students. This collaboration has led to the development of a plan of action that sets goals for improved academic performance. The SPSA addresses the academic achievement needs of all students and targeted-groups of students, including English learners, socio-economically disadvantaged students, foster youth, students with disabilities, and racial/ethnic subgroups. The SPSA coordinates all educational services and applicable federal and state funding sources.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The following stakeholders were involved in the planning process for the annual review and update of the Norma Coombs Elementary School Plan for Student Achievement (SPSA):

1. English Learner Advisory Committee (ELAC): The ELAC meets monthly throughout the school year. The meeting agendas always include issues related to student academic achievement, opportunities for parental involvement, and goals.
2. School Site Council (SSC): Agendas and minutes of the meetings reflect monthly analysis of data and how it informs our goals, progress and instructional decision making.
3. NCES Multi-tier System of Support (MTSS) Team: Collaboration around the Attendance improvement plan and Behavior and Academic Rtl and supports - December, 2019 - March, 2020
4. Parent Teacher Student Association (PTSA): Collaborative input on becoming a Computer Science Immersion School and campus culture during monthly meetings and as-hoc meetings with the Principal January - April, 2020
5. African-American Parent Council (AAPC): Collaborative input on the Attendance Improvement Plan and campus culture during monthly and ad-hoc meetings with the Principal February - April, 2020

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

For the 2019-20 School Year, Norma Coombs Elementary School will receive \$ 22,037 in Unrestricted funds, \$ 63,580 Title 1 Site Allocation, and \$ 41,650 from the LCAP Site Allocation, \$1,075 Parent Involvement; in addition, the Central office will fund 1.0 Instructional Coach and approximately 25 hours per week for one (1) Noon Aide. In order to fully fund our priorities we will need to supplement our budget with \$ from our Annual Fund.

School Vision and Mission

Vision: Through collaboration, innovation and literacy, Norma Coombs ignites the artistic and intellectual creativity of each student with visual and performing arts, music, technology, and engaging academic instruction.

Mission: "Celebrate resiliency, demonstrate perseverance, commit to excellence, honor persistence, inspire leadership, achieve the impossible, build futures, appreciate partnerships and be proud to be a Lion"

School Profile

Norma Coombs Elementary School, located in the northeast section of Pasadena, adjacent to Victory Park, is one of 13 elementary schools in the Pasadena Unified School District. Norma Coombs is a choice school, where families apply through the district's open enrollment process for a permit to attend. There are 350 students currently enrolled in grades TK-5, with a little over 60% of them qualifying for free and reduced lunch. Norma Coombs has a beautifully diverse student population, ethnically, socio-economically and linguistically, resulting in a rich cultural school community. Of the 350 students enrolled, the Norma Coombs Language Census Report reveals that the following languages are spoken in the homes of Norma Coombs Elementary School: English, Spanish, Armenian, Japanese, Mandarin, and Cantonese Korean.

Significant demographic groups:

41 % Hispanic

28 % African American

20 % White

9 % Asian

62.5% Socio-economically disadvantaged

21% English Learners

10% Special Education

2% Foster Youth

Norma Coombs Elementary school provides the following staff and facilities to meet the needs of our students:

3 Special Day Class Teachers (Grades Pre-K, K-2 and Grades 3-5)

15 Regular Education Teachers (Grades TK-5)

1-Transitional Kindergarten

2-Kindergarten Classes

2-First Grade Classes

2-Second Grade Classes

3-Third Grade Classes

2 Fourth Grade Classes

2 Fifth Classes

1 100% Principal

1 100 % Resource Specialist Program Teacher

1 100 % Instructional Coach

2 50% Speech Teachers

1 40 % School Psychologist

1 20% Nurse

1 100% Health Clerk
1 Office Manager
1 75% Clerk Typist
1 100% Community Assistant
1 Cafeteria Manager and 2 assistants
1 Head Custodian and 1.5 Evening Custodians
8 Special Education Instructional Aides
1 40% Instrumental Music Teacher
1 Therapist through Pasadena Mental Health
3 Campus Aides
LEARNs Before and After School Program

Under Measure TT, Norma Coombs began construction of two (2) new buildings during the summer of 2017. The new buildings are the main offices, Health office, six new classrooms and two restrooms. Construction has been completed.

We have an outstanding teaching core. They are a veteran, and well-trained staff in teaching that impacts student learning.

Our primary instructional focus is building and improving reading and literacy skills. Areas of emphasis include Reading, Writing, Listening, Speaking and Viewing. We will accomplish this through implementing a balanced literacy framework to include:

Reading Aloud (Modeled Reading) Modeled or Interactive Writing
Shared Reading Shared Writing
Guided Reading (Reading Workshop) Guided Writing (Writing Workshop)
Independent Reading Independent Writing
Conferencing

We implemented The Leader in Me/7 Habits of Happy Kids as our culture-building framework. We have begun teaching classroom lessons and have distributed Parent Guides on how to reinforce the Habits at home. We also changed the Mission Statement and Core Values to align with the 7 Habits and also our focus on how to tap into the natural gifts of every child.

Our Computer Science Immersion Program provides classes that ensures every student develops the conceptual knowledge and skills necessary to responsibly and productively participate in a digital world.

Grade 4	69	67	64
Grade 5	76	74	73
Total Enrollment	413	382	353

Conclusions based on this data:

1. There was a gradual decline in enrollment in all grades since 2017.
2. Kindergarten had the largest decline of 11 students from 2019-2020.
3. There was a decrease in enrollment of 31 students from 2018 to 2019

Conclusions based on this data:

1. There was a 15% increase in students who did not meet standard overall in math
2. There was a 10% decrease in students meeting standards in Problem Solving and Modeling/Data Analysis. This is an area where teachers need to focus by unpacking the problems.
3. The greatest need for direct explicit instruction is in Communicating Reasoning/Supporting Mathematical Conclusions due to an 8.27 % increase in students below standards.

Conclusions based on this data:

1. 37.10% of our English Learners scored at level 3 overall on the 2019 EL PAC Assessment.
2. Our English Learners decreased by 20% from 43.94 to 35.48, but remained at Level 4 in Oral Language on the 2019 EL PAC.
3. English Learners decreased by almost 50% on Level 4 in Written Language on the EL PAC from 2018 TO 2019

This section provides information about the school's student population.

2018-19 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
382	64.9	17.5	0.5

This is the total number of students enrolled.

This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.

This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

This is the percent of students whose well-being is the responsibility of a court.

2018-19 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	67	17.5
Foster Youth	2	0.5
Homeless	2	0.5
Socioeconomically Disadvantaged	248	64.9
Students with Disabilities	71	18.6

Asian	5	1.3
Filipino	9	2.4
Hispanic	211	55.2
Two or More Races	19	5.0
White	46	12.0

Conclusions based on this data:

1. Two-thirds of our students are socio-economically disadvantaged and this percentage has remained consistent over the past five years. The staff and programs supported by Comprehension Support and Improvement will benefit the students academically and social emotionally.
2. Almost 20% of our population are English Learners. More effort needs to be made to "Close the Achievement Gap".
3. We have a very diverse campus with all student groups moving in a positive direction.

Conclusions based on this data:

1. Persistent, consistent interventions and strategies are needed for students with chronic absenteeism. Our African-American subgroup has the highest rate of absenteeism which put them in the "Red" level. LCAP Goal 2 has strategies to support all students
2. Persistent, consistent interventions and strategies are needed for students in Mathematics. Students with Disabilities, African American students, English Learners and Hispanic Students have the highest rate which puts them in the "Red" and "Orange" status.
3. Persistent, consistent interventions and strategies are needed for students in English Language Arts. Students with Disabilities and English Learners have the highest rate putting them in the "Orange" status.

Conclusions based on this data:

1. Socio-economically Disadvantaged, Hispanics and African American student groups increased to Yellow contributing to all students maintaining their Orange status with a -0.3 difference from the prior year.
2. Even though Students with Disabilities had the greatest distance from met at 75.3 points below standard, they still made improvements from the prior year at 89.2 points below standard.
3. Our socio-economically disadvantaged group made the biggest jump of 12.9 points "closing the achievement gap" from the prior year.

Conclusions based on this data:

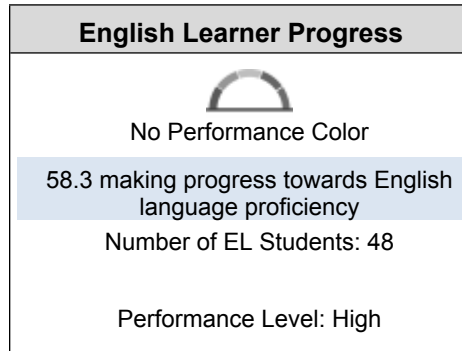

1. Our students with disabilities is a concern because they declined significantly to Red by -25.1 points from the prior year. Small group instruction, mini lessons and conferencing is key to meeting their needs.
2. English Learner subgroup made the largest decline by -28 points from the prior year, but maintained "Orange" status. Designated ELD is critical during small group instruction.
3. The only student group above standard decreased by -14.7 points from the prior year. All students need to receive intervention in each domain of mathematics.

Conclusions based on this data:

- Continued focus on ELA designated ELD instruction and small group intervention for English learners is contributing toward increased levels of proficiency in ELA.
- Language support has had a positive impact on math achievement, especially in being able to read and comprehend the directions as well as the word problems.
- The achievement of our English Learners in ELA has a positive affect on chronic absenteeism rates.

Conclusions based on this data:

1. Our African American student group had the largest increase from 17.7% to 24.2%, a difference of 6.5% in chronic absenteeism last year, resulting in the very high status level, Red.
2. Our students with disabilities had the largest decrease from 17.7% to 16%, a difference of -1.7% in chronic absenteeism last year, resulting in a high decline status, Yellow.
3. Daily monitoring and monthly meetings with families to reduce tardies, absences and early pick ups must be implemented to turn this trend around. It can only result in high achievement

This section provides a view of the percentage of students who received a high school diploma within four years of entering ninth grade or complete their graduation requirements at an alternative school.

Conclusions based on this data:

1. Chronic Absenteeism must be reduced in elementary school to increase graduation rates in high school.
2. Suspension rates must be reduced in elementary school to increase graduation rates in high school.
3. ELA and Math proficiency must be increased in elementary school to have positive graduation rates in high school.

2019 Fall Dashboard Suspension Rate by Year

2017	2018	2019
	5.6	5.5

Conclusions based on this data:

1. Student social/emotional support during extracurricular activities and unstructured time must be carefully planned and intentional to decrease suspension rates for every student group.
2. African American suspension rates were the highest, but with restorative justice practices shifts the focus of discipline from punishment to learning and from the individual to the community, all students can experience success.
3. English Learner student group had the lowest suspension rate and are in the Green status. They are also the group with over 58% in making progress towards English Language Proficiency.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LCAP Goal # 1

Students will demonstrate grade level knowledge in all core subjects and graduate in four years exemplifying our PUSD graduate profile. All students, English Learners, Foster Youth, eligible for Free Reduced Meal Program, and others who have been less academically successful in the past, will have access to a robust course selection and will show academic achievement.

Goal 1

CAASPP Math Average Distance From Standard for Students with Disabilities will decrease the baseline of -101.5 (Red) from 2019 by a total of 6.5 or more (to reach Orange) with a stretch goal of 9.5 or more (to reach Yellow) to end at -95 or higher by the end of the 2020-2021 school year.

Increase in targeted delivery of math interventions.

Identified Need

On the 2018-2019 SBAC in Math, looking at grade level claim performance percentages by grade and overall -31.3 average distance from standard met revealed that students overall achievement for All Students is at 63.64% "Standard Not Met"

This led to the need for decreasing distance from met points in Math on 2021 SBAC

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Based on our data here is what we said we would do. Goal one was: By June 2020, All students will show a 10 point positive decrease in "Distance From Met" (DFM), as measured by the 2020 SBAC Math Assessment, thereby decreasing the DFM from -16.6 points below standard to -6.6 points below standard. Here is what we actually did on the 2019 SBAC Math Assessment: The distance from standard met went from -16.6 to -31.3, increasing the DFM by -14.6 points based on data. What didn't work: The number of students at or near standard decreased (53.65% to 45.45%) and the number of students below standard increased (27.08% to 35.35%) in Communicating Reasoning. What worked: The number of students at or near standard in Concepts and Procedures increased (29.17 to 29.80).

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The math strategies and activities on the SPSA must be intentionally reviewed at every A Monday meeting as a check in. It must be listed on the Quick Note template for the principal's walk-through. Finally, the strategies and activities on the SPSA must be referred to on teacher's bi-weekly lesson plans as a reminder for "How" to address the longterm goal.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Changes to the goal have been streamlined and focused so teachers can specifically address "what" and "how" the needs of the student are met. In addition, added focus is on students who may be duplicated in the Low Performing Student Block Grant. The students who are in "Red" and "Orange" status on the CA Dashboard for Math, resulting in the school being in Comprehensive Support Improvement status will be monitored. All strategies and activities will be monitored for teaching with fidelity.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LCAP Goal # 2

Students will be in school every day in an environment that is safe, caring, and conducive to learning. All facilities will be in good repair and equipped for 21st century learning.

Goal 2

Chronic Absenteeism for African American will decrease the baseline of 24.2 (Red) from 2019 by a total of -0.5 or more (to reach Orange) with a stretch goal of -3 or more (to reach Yellow) to end at 23.7 or lower by the end of the 2020-2021 school year.

Decrease absences, tardies and early pick ups for all student groups

Identified Need

On the Fall 2019 CA Dashboard, the data for Chronic Absenteeism showed all students were absent for 16.5% of the instructional days they were enrolled. It increased significantly by 3.9% from 12.6% in 2018 putting all students in high status (Red)

Improved Chronic Absenteeism by all student groups.

Annual Measurable Outcomes

Strategy/Activity

Families are informed about the seriousness of their child's attendance status early in the school year

Scheduled monthly SART conferences are held for families who have 10 or more tardies within a month and/or 5 or more absences within a month to review data.

A focused plan will be created as parent, student and staff work together to ensure better attendance.

Student Success Team meetings for families setting strengths, concerns, intervention desired outcomes, actions plans and brainstorming strategies

Counselor from CWAS to participate in meetings for families who struggle with attendance

Develop SART contract for families

Utilize SARB system for the severely chronically absent students

MTSS team meets monthly to identify problems, discuss attendance data, supports, interventions and actions taken with the family.

March 2021 Update:

Strategies to increase student attendance and increase chronic absenteeism.

Strategy/Activity

Implement individual, class or school wide incentives for the most improved or highest growth in positive attendance percentage.

Attendance Leadership Assembly once a month on Monday to celebrate attendance data

Utilize Attendance Awareness Month (September) to inform families of the importance of attending school regularly. Students will participate by signing compacts to pledge a promise to attend school every day on time ready and prepared to learn.

Part of MTSS roll-out: A family checklist- "How to get students to school on time every day ready and prepared to learn"

1. Meeting with parents at the beginning of the school year
2. Dog tags/charms for rewards, quarterly
3. Principal and team conduct a field day for improved attendance
4. Schedule: Aug-Oct, Nov-Jan, Feb-Apr, May "End of Year" Celebration

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Based on our data here is what we said we would do. By June 2020, the daily average attendance rate will be 97%. The average daily attendance rate will be less than 10% for African Americans students, English Learners students, Socioeconomically Disadvantaged students, Hispanic students, and Students With Disabilities. The chronic absenteeism rate will be less than 3%. Here is what we actually did: The average monthly attendance rate for 7 months Aug-Feb was 95% instead of meeting the 97% goal. What didn't work: The All Students increased significantly from 12.6% to 16.5% putting them in the High Status "Red". What worked: There was a positive decline in the chronic absenteeism rate of our SWD student group from 17.7% to 16.0%, putting the group in "Yellow"

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There were differences between the budgeted expenditures and the intended implementation of the strategies and activities to decrease absenteeism among all students. The Multi-Tier System of Support (MTSS) that was planned to discuss best practices for SST meetings, attendance support and provide tiered level interventions was not implemented to it's fullest. We did not meet regularly to discuss reasons for the chronic absenteeism. I needed to be brought up to date with the MTSS practices with it being my first year as principal at NCES. I was able to get to know the families and observe the trends for the daily tardies, absences and early pick ups. The funds were not available to pay the aides for extended hours for meetings. There needed to be better follow through and data kept on students arriving late to school by staff.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Better planning on a calendar will contribute to consistent support for students in the area of attendance. Staying in contact with students and families will build genuine relationships between staff and families. Research and training regarding attendance is necessary. Finding the root cause of the absences and tardies. CSI support will provide much needed resources, training and added staff to implement the practices and interventions needed to decrease chronic absenteeism.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LCAP Goal # 3

Students will demonstrate grade level knowledge in all core subjects and graduate in 4 years exemplifying our PUSD graduate profile. All students, English Learners, Foster Youth, eligible for Free/Reduced Meal Program, and others who have been less academically successful in the past, will have access to a robust course selection and will show academic achievement.

Goal 3

CAASPP ELA Average Distance From Standard for Students with Disabilities will increase the baseline of -75.3 (Orange) from 2019 by a total of -5.3 or more (to reach Yellow) with a stretch goal of -3 or more (to reach Green) to end at -80.6 or lower by the end of the 2020-2021 school year.

Increase in targeted delivery of ELA interventions

Identified Need

On the 2018-2019 SBAC, looking at grade level claim performance percentages by grade and overall-13.6 average distance from standard met revealed that students overall achievement for All Students is at 55.55% "Standard Not Met".

This led to the need for decreasing distance from met points in ELA on 2021 SBAC

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
SBAC (ELA) Students with Disabilities	On the 2019 SBAC ELA Assessment, the distance from met for Students with Disabilities was -75.3 (Orange) on the CA Dashboard Data (Red)	Improve by -5.3 or more points (to reach Yellow or higher)
IRI Reports Midyear 2020	On the IRI Midyear report, 3rd grade was 53.44%-expectation met, 4th grade was 50.82%-expectation met, 5th grade was 45.21%-expectation met.	Improve in grades 3rd, 4th, and 5th by 10% 3rd grade to 63.44%-expectation met, 4th grade 60.82%-expectation met, 5th grade to 55.21%-expectation met.
IAB Opinion Performance Task (Claim 1)	On the Interim Assessment Benchmark, all scores were not entered. For the grade level where scores were entered, 75% at near standard and 25% above standard.	Improve by ensuring all scores are entered by timeline and increase scores to above standard by 10% from 25% to 35%

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Lexia Midyear Scores	<p>On My Lexia, April 1-30, 2020</p> <p>3rd grade is 43% on target, 0% some risk, 57% high risk, 77% meeting usage.</p> <p>4th grade is 28% on target, 6% some risk, 66% high risk, 35% meeting usage.</p> <p>5th grade is 9% on target, 18% some risk, 73% high risk, 43% meeting usage.</p>	<p>Improve target levels by 10%</p> <p>3rd grade increases from 43% to 53%</p> <p>4th grade increases from 28% to 38%</p> <p>5th grade increases from 9% to 19%</p>

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students including students with disabilities, English Learners and African American students.

Strategy/Activity

Professional Development is provided for teachers on Balanced Literacy practices that address how to effectively differentiate instruction for all students.

Activity:

PD for teachers on how to give mini lessons in clear and purposeful writing followed by guided practice and conferencing with students from Instructional Coach

PD for teachers on how to differentiate phonics, reading and writing instruction for students who are in Tier I, Tier II and Tier III from the Instructional Coach

Release time for teachers to work in their grade level teams once monthly

Training: Teachers will continue to use tools from Columbia Teacher's College Writing Project training, Balanced Literacy Implementation Guide and observation of teachers who have experience doing Reading and Writing Workshop to help students improve written response to literature.

Instructional Coach communicates weekly curriculum and instructional updates to teachers and staff using SMORE.

March 2021 Update:

Due to pandemic and distance learning environment, no opportunity for full day professional development. Support for substitute teachers during PD reduced to zero. - Removed \$2087.00 CSI \$10,576 CSI expense for ELA materials moved to goal 3 strategy/activity 2 with final cost \$9,900

Removed text due to duplication with goal 3 strategy/activity 2

"Virtual Teaching Resources will be used as a supplement to the print Units of Study series to help teachers adapt instruction for blended and virtual teaching.

Teachers will use Virtual Units of Study to successfully teach during remote and in-person learning environments.

Teachers will use the Guided Reading Program for small group instruction during virtual and in-person teaching.

The Renzulli Learning lesson-planning tool enables the instructional coach to create highly engaging learning opportunities and assignments that will empower students to achieve at higher levels for better academic results."

Strategy/Activity

Team uses workshop model to deliver ELA intervention in small group learning structure for all student groups, including materials.

Strategies:

Strategies for comprehension

Strategies for understanding literary and non-fiction text

Strategies for phonics and word knowledge

Activities:

Virtual Teaching Resources will be used as a supplement to the print Units of Study series to help all students with phonics and writing and students who need phonics and writing Intervention.

The Guided Reading Program will be used for small group instruction during virtual and in-person teaching.

Within the workshop model, teachers will use Leveled Readers based on Fall Assessment IRI will be used to support all students and differentiate instruction

Interactive read alouds, News ELA and Read Works will be used to develop literary and informational text comprehension

Renzulli Learning personalizes talent development for each student, giving students the tools and resources to increase engagement and achievement.

Within small groups English Learners will receive designated English Language Development instruction to target key skills.

Teachers will meet students in small guided reading groups and teach them in at their instructional level.

All students will be assessed on Lexia Placement Assessment

Students reading below grade level will do Lexia at least twice a week for 30 minutes each in school and 30 minutes for homework per night.

Reading Intervention Teacher will provide targeted support (areas of need identified on the DRA and writing) for Tier II students and ELs.

Teachers will use mentor texts, anchor charts and anecdotal records as tools to during writing instruction

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Based on our data here is what we said we would do: Goal 1 was: By June 2020, All students will show a 10 point positive decrease in "Distance From Met" (DFM), as measured by the 2019 SBAC ELA Assessment, thereby decreasing the DFM from -13.3 points below standard to -3.3 points below standard. Here is what we actually did on the 2019 SBAC Math Assessment: The distance from standard met went from -13.3 to -13.6 increasing the DFM by -0.3 points based on data resulting in maintaining progress. Here is what didn't work: The percent of students above standard on the 2018 SBAC in Writing (Producing Clear and purposeful writing) decreased by 5.97% on the 2019 SBAC. In addition, there is a decrease in ELA overall achievement for All Students in standard exceeded from 21.13% to 20.71%.

Here is what worked: The number of students in Reading (Demonstrating understanding of literary and non-fictional texts) at or near standard increased from 43.81% to 46.46%. This caused a decrease in the percent of students below standard in the same domain.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The ELA strategies and activities on the SPSA must be intentionally reviewed at every A Monday meeting as a check in. It must be listed on the Quick Note template for the principal's walk-through. Finally, the strategies and activities on the SPSA must be referred to on teacher's bi-weekly lesson plans as a reminder for "How" to address the longterm goal.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Changes to the goal have been streamlined and focused so teachers can specifically address "what" and "how" the needs of the student are met. In addition, added focus is on students who may be duplicated in the Low Performing Student Block Grant. The students who are in the "Orange" and "Yellow" status on the CA Dashboard for ELA, resulting in the school being in Comprehensive Support Improvement status will be monitored. All strategies and activities will be monitored for teaching with fidelity.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LCAP Goal # 4

Students will be in school every day in an environment that is safe, caring, and conducive to learning. All facilities will be in good repair and equipped for 21st century learning

Goal 4

Suspension Rate for African American will decrease the baseline of 9.6 (Red) from 2019 by a total of -3.6 or more (to reach Orange) with a stretch goal of 3.3 or more (to reach Yellow) to end at 6 or lower by the end of the 2020-2021 school year.

Identified Need

Improved Suspension Rate by Students with Disabilities and African American students. On the 2019 CA Dashboard indicators, the SWD (9.8% Orange) and AA (9.6% Red) students have the highest suspension rates among all student groups.

This led to the need for decreasing the suspension rate on the 2021 CA Dashboard indicators.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Suspension for African American Students	Suspension Rate for African American will decrease the baseline of 9.6 (Red) from 2019 by a total of -3.6 or more (to reach Orange) with a stretch goal of 3.3 or more (to reach Yellow) to end at 6 or lower by the end of the 2020-2021 school year. Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students including Students with disabilities and African American Students

Strategy/Activity

Teach students self regulation strategies when struggling with controlling emotions in situations on campus.

A student's ability to manage their emotions helps every student avoid spending too much time in emotional, reactive states. This form of emotional management allows students to act in accordance with values and beliefs rather than emotionally react to external stimuli and thus avoid negative disciplinary interactions, including suspensions. Norma Coombs looks to focus on a multi-pronged approach to social emotional development and self-regulation.

Art, as an introspective and expressive endeavor, encourages emotional processing and the kind of active and productive healing that supports self regulation.

Interactive specialty physical education curriculum supports improved classroom behavior and self-regulation among school-age children, including those with social and emotional disabilities.

In a dedicated calming space, students engage in activities that will help them practice emotional self regulation skills and receive a chance to adjust negative behaviors before engaging in traditional disciplinary practices such as suspensions. This space will be designed to be relaxing

and peaceful and include centers for students to journal, practice mindfulness, participate in art activities, read about coping skills, and experience other activities that will promote resilience.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The overall goal for decreasing suspensions was to deepen the implementation of the 7 Habits/Leader in Me Social Emotional Learning Curriculum throughout the campus in order to decrease behavior referrals to the office. The daily and weekly check-ins with students during the morning message and Leadership assembly made a huge difference with student behavior. Our SWD in the special day classroom missed the morning message because of breakfast, so I brought the leadership and "7 Habit" message to them in the cafeteria and sometimes in the classroom. This gave them an opportunity to connect with me. This made a huge difference with the 5th graders who met me for the first this year. I was able to get to know them and their personalities. They were able to learn about how I handled situations before a problem surfaced. The students found it to be easier to talk things out because they already connected with me in the morning. As a result, as of March 13, 2020 we had only three suspensions compared to 22 in the prior year. One of the suspensions was due to a new student who was inappropriately placed in a general education classroom and was enrolled for one day.

March 29, 2021 Updated:

We anticipate additional behavioral benefits and reduced disciplinary incidents with implementation of self regulation strategies as students return to in-person learning in 2020-21.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The budgeted expenditures were correct for the Leader in Me Program. However, by the time the PR went through it was almost half way through the school year. We implemented the teacher PD during A Monday meetings. There needed to be more release time and funds to pay for subs so that the Lighthouse Team could meet and move from level 2 to level 4 on the implementation rubric.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will calendar meetings at the beginning of the school year so it will not be a surprise and the team is prepared to meet and discuss how they can lead the staff in implementing the LIM program. Furthermore, provide opportunities for the Lighthouse Team to visit other LIM schools to observe best practices. Finally, to overlap the efforts of MTSS and LIM teams. The additional funds from CSI to support PD for teachers, staff for students and community assistant communication for parents is part of the plan.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LCAP Goal # 5

Parents and guardians feel welcomed at their school, have sufficient two-way communication with their school and are provided with the knowledge and skills to successfully support and advocate for their child.

Goal 5

Utilize the "Back to School" Event in August 2020 to communicate with families. Families will take a brief survey on attendance, participation and engagement. Parents will receive a school calendar and sign up for a committee, school event, or school fundraiser to participate in during the school year. Families will attend a short on going assembly in the auditorium about attendance and the importance of coming to school every day on time. By the first Trimester, 60% of NCES families will register to access Aeries Parent Portal. By the second Trimester, 70% of NCES families will register to access Aeries Parent Portal. 50% of NCES Parents will attend two Family Information Nights about Leader in Me Program and Family Coding Night.

Identified Need

Less than 50% of our families are registered on Aeries Parent Portal. Less than 30% of our families are involved in Community Building events such as Campus Beautification, Fall Festival, and Market Fair. Less than 20% of our families attend the monthly African American Parent Council Meetings, School Site Council Meetings, and English Language Advisory Council Meetings. Continue to keep a pulse on scheduled events, activities and fundraisers that can be taxing on parents resources and time by ensuring the NCES Calendar reflects a healthy balance of activities.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Number of parents registered to access Parent Portal in Aeries	By March 13, 2020, we had 50% NCES parents receiving Aeries Parent Portal due to Community Assistant helping parents to sign up in workshops and one on one help in the main office.	The expected outcome was 35% of NCES registered on Aeries Parent Portal
Schedule of Family Code Night on the Master Calendar	In November we had an Epic Build Showcase on Nov. 13, 2019 during the day and Family Coding Night on Dec. 13, 2019	The expected outcome was 3 parent family nights including NCES families to participate in the Showcase and Family Coding Night

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Information Nights/Parent University Workshops on 2019-2020 Master Calendar	Community Assistant facilitated parent university/trainings listed on Master Calendar	The Master Calendar lists all parent university and trainings
Volunteer Log	Volunteers worked on Ceramic's Clean up Day on Sept. 14th 9am-12pm. Volunteers worked on Science Room Set up on Oct. 19th 9am-12pm. Volunteers worked on Campus Beautification Day on February 22nd 9am-12pm. Master Calendar has many opportunities for parent volunteers to sign up to volunteer	2020 Volunteer log is evidence of greater percentage of parent names and number of hours

These two programs, considered the backbone of NCES, is paving the way for students to have successful careers in technology and to be future leaders in the work place.

Strategy/Activity

Parent volunteer training on the 7 Habits/Leader in Me: It will provide families with the information, training, and school resources needed to empower them to be supportive partners in the development of their child's social-emotional learning.

Parent volunteer training on Coding Immersion Program: It will provide families with the information, training, and school resources needed to empower them to be supportive partners in the development of the skills needed to successfully understand the systems and language Coding Immersion Program uses to build and design programs.

Hold two Family Coding Nights and invite professionals in the career to teach families the current trends in coding.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Overall implementation of Parent Portal usage was below 10% at the beginning of the school year. The Community Assistant made every effort to train and help parents access Parent Portal. The goal was to increase parent usage by 35% by Trimester 2. By April 2020, NCES had 50% parents using Parent Portal.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There were no major differences between the implementation of the activity and the budgeted expenditures used to fund this activity. The goal was exceeded by 15%.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We are going to extend the goal to 60% of our parents using Parent Portal by November 2020 and then increase by another 10% to 70% of NCES parents using Parent Portal by February 2021. This can be found in Goal 5.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LCAP Goal # 6

Students will demonstrate grade level knowledge in all core subjects and graduate in four years exemplifying our PUSD graduate profile. All students, English Learners, Foster Youth, eligible for Free Reduced Meal Program, and others who have been less academically successful in the past, will have access to a robust course selection and will show academic achievement.

Goal 6

Closing the Achievement Gap for all Subgroups

1. Mathematics:

On the 2018-2019 SBAC Mathematics assessment, all student groups declined or declined significantly from grade-level standard: All students, -14.6 points, African Americans, -11.4, English Learners, -28 points, Hispanic students, -5.5, Socio-economically Disadvantaged, -6.4, Students With Disabilities, (-25). All student subgroup scores, except English Learners (-28 pts) and Students With Disabilities, (-25 pts), made a lower DFM toward standard than the "All students" score of (14.6 pts). Even though the Hispanic student subgroup (40.6 below standard) took a decline along with the all student group (31.3), it is "narrowing the achievement gap"

By August 2021, each of the listed groups and ethnic groups will show the following decreases in "Distances from Met" (DFM), as measured by the 2021 SBAC Mathematics assessment.

**English Learners: decrease DFM from 28 to 14 points below grade level standard

**Students With Disabilities: decrease DFM from 25 to 12.5 points below grade level standard

**African American Students: decrease DFM from 11.4 to 5.5 points below grade level standard

**Socio-economically Disadvantaged: decrease DFM from 6.4 to 3.2 points below grade level standard

**Hispanics: decrease DFM from 5.5 to 2.75 points below grade level standard

2. English Language Arts/Literacy:

On the 2018-2019 SBAC English Language Arts/Literacy assessment, all student groups declined or declined significantly from grade-level standard: All students, -14.6 points, African Americans, -11.4, English Learners, -28 points, Hispanic students, -5.5, Socio-economically Disadvantaged, -6.4, Students With Disabilities, (-25). All student subgroup scores, except English Learners (-28 pts) and Students With Disabilities, (-25 pts), made a lower DFM toward standard than the "All students" score of (14.6 pts). The African American students, socio-economically disadvantaged, and Hispanic subgroups increased by 7 to 12 points "narrowing the achievement gap" of these groups.

By August 2021, each of the list groups and ethnic groups will show the following decreases in "Distance from Met (DFM), as measured by the 2021 SBAC English Language Arts/Literacy assessment.

**English Learners students: decrease DFM from 48.1 to 24.05 points below grade level standard

**African American Students: decrease DFM from 36.8 to 18.4 points below grade level standard

**Hispanic Students: decrease DFM from 23.3 to 11.65 points below grade level standard

**Socio-economically Disadvantaged: decrease DFM from 26.2 to 13.3 points below grade level standard

**Students With Disabilities: decrease DFM from 75.3 to 37.65 points below grade level standard

3. To ensure that every student develops the foundational conceptual knowledge and the skills to responsibly and productively participate in a digital world.

Identified Need

1. Mathematics: School-wide, students scored 31.3 points below grade level standards on the 2019 SBAC Mathematics assessment; however, English Learners scored 71.1 points below grade level standard, African American students 61.7 points below grade level standard, Hispanic students scored 40.6 points below grade level standards, students with disabilities scored 101.5 points below grade level standard, and socio-economically disadvantaged scored 48.1 points below grade level standard.

2. English Language Arts/Literacy: School-wide, students scored 13.6 points below grade level standards on the 2019 SBAC English Language Arts/Literacy assessment; however, English Learners scored 48.1 points below grade level standard, African American students 38.8 points below grade level standard, Hispanic students scored 23.3 points below grade level standards, students with disabilities scored 75.3 points below grade level standard, and socio-economically disadvantaged scored 26.2 points below grade level standard.

3. According to the 2019 Fall Dashboard English Language Arts Data Comparisons for English Learners, our Reclassified English Learners are 3.9 points above grade level standard compared to our English Only students who are 5.3 points below grade level standard. The gap that needs to be closed is between our current English Learners (24) at 87.1 points below standard and our English Only students (134) at 5.3 points below standard.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
SBAC (Mathematics)	On the 2018-2019 SBAC Mathematic assessment, the Hispanic students score declined by 5.5, which was 9.1 less than the "All students" who declined by 14.6 points. The Hispanic subgroup was the closest to narrowing the gap from the "All student" group.	Hispanic students will show an increase growth score exceeding the "All Students growth score by 5 points or greater in order to narrow the achievement gap as measured by the 2019-2020 SBAC Mathematics assessment.
SBAC (English Language Arts/Literacy)	On the 2018-2019 SBAC English Language Arts/Literacy assessment, the Hispanic students growth score was 7.9 points, which was 7.6 points more than the "All students" growth score of -0.3.	Hispanic students will show an increase in growth score exceeding the "All students" growth score by 10 points or greater in order to narrow the achievement gap as measured by the 2020-2021 SBAC
i-Ready Diagnostic Assessment Results	On the 2020 i-Ready Math Assessment Diagnostic 2	Hispanic and African American students will show an increase

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	Assessment, 41% of the students in grades 3rd, 4th and 5th are on or above grade level in all four domains. Since the Hispanic subgroup is 55.24% of the school population and the African American population is the next largest subgroup at 23.83%, these groups are good indicators of "closing the achievement gap" when compared to all students.	in growth by 10% in all four domains on the i-Ready diagnostic assessment. This will result in an increase from 33% to 43% of the students scoring on or above standard in all four domains in order to "narrow the achievement gap."
SBAC Grades 3,4,5 ELA IAB - Narrative and Opinion Performance Task	On the 2020 SBAC Grades 3,4,5 ELA IAB Writing Performance Task, 59.25% of the 3rd graders are above standard in Narrative Writing. 25% of the 4th graders are above standard in Opinion Writing. 36% of the 5th graders are ave standard in Narrative Writing Since the Hispanic subgroup is 55.24% of the school population and the African American population is the next largest subgroup at 23.83%, these groups are good indicators of "closing the achievement gap" when compared to all students.	Hispanic and African American students will increase on the i-Ready diagnostic assessment by 10%, bringing the % of these subgroups from 33% to 43% on or above grade level in order to narrow the achievement gap.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students including students with disabilities, English Learners and African American students.

Strategies that will improve instruction towards closing the gap and ensuring greater academic success.

Strategy/Activity

English Learners will meet in small groups by grade level for intervention with the reading intervention teacher.

Students in Tier II will get additional support in reading and math, and meet with instructional coach and intervention teacher in small groups.

SSTs will be held for students in tier II group who continue to struggle and not make progress in reading

"All student" groups will use Lexia for additional practice with vocabulary.

"All students" will use Read Works for additional practice with comprehension.

"All students" will participate in the Computer Science Program to receive classes in coding.

March 2021 Update:

Expanding the strategy/activity to include Math, Science, STEM Lab, ELA, English Language Development and intervention as needed.

All students will use i-Ready Math, Mystery Science, STEMscopes, Reading A to Z and Epic Books 1000 Title I is updated to 1000 General Fund

7174 CSI decreased to 3600 CSI due to distance learning

Add 9,023 CSI for EL Tutor

Add 22,000 LCAP to expand the strategy/activity to include Summer Lit Camp. The purpose of the Summer Lit Camp is to offer all students based on diagnostic results and IRI levels to prevent summer slide for students who are at or near grade level. To provide intervention for Tier II students needing extra support.

Added 1,000 LCAP (Carryover 2019-2020) STEM Lab supplies for innovated science curriculum.

Added 19,690 CSI for expansion of the science engagement activities.

Proposed Expenditures for this Strategy/Activity

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students including students with disabilities, English Learners and African American students.

Strategy/Activity

First grade teacher will instruct the first grade curriculum according to the PUSD scope and sequence in English Language Arts and Math. The first grade teacher is a teacher leader in Reading and Writing Workshop.

March 2021 Update:

30,892 Title I updated to 31,000 Title I

9,678 LCFF - Supplemental and Concentration (S/C) updated to 10,000 LCFF - Supplemental and Concentration (S/C)

Proposed Expenditures for this Strategy/Activity

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

One of the strategies I observe on a consistent basis is teachers meeting students in small guided reading groups. This is an effective way to meet students where they are at their instructional level. Students have a second opportunity to be pulled by the intervention teacher to practice skills that support learning in the classroom. With daily meetings the proficiency gaps will begin to close. We want to provide all students with the opportunity to learn computer science in a fun and engaging way while developing the skills needed to be successful in our digital future addressing the technology barriers for children of color.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There are no major differences between the intended implementation and the budgeted expenditures. This year we have the opportunity to have an additional intervention teacher to meet with students to work on skills to close the achievement gap. Next school year we will have the support of CSI to assist us as we implement much needed strategies to help our students progress and teachers participate in learning communities.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Changes will not be made. More monitoring of instruction, data chats with the students and communication with the families are critical.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 2 Classroom Teachers
- 2 Other School Staff
- 2 Parent or Community Members

Name of Members	Role
Debra Lucas	Principal
Charlotte Caldwell	Classroom Teacher
Kathleen Peralta	Classroom Teacher
Christina Lisath	Other School Staff
Alicia Garvey	Parent or Community Member
Tamyke Edwards	Other School Staff
Tunisia Offray	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

English Learner Advisory Committee

Gifted and Talented Education Program Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on April 21, 2020.

Attested:

Principal, Debra Lucas on April 21, 2020

SSC Chairperson, Alicia Garvey on April 21, 2020

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**asurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

School-Parent Compact

Norma Coombs Elementary School and the parents of students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the California Core State Standards. This school-parent compact is in effect during school year **2019-2020**.

Specifically, this Compact pledges all stakeholders support to ensure that all students, by the end of the school year, will advance at least one (1) reading level towards the proficiency target level of 60% and above. We will accomplish this goal by valuing:

- a. Proactive and positive communication between all stake holders,
- b. Assumed positive intentions
- c. Being a literate community in both English and Mathematics, and preparing our students for the rigors of the 21st Century by explicitly teaching and modeling the 4 plus 1 C's – Communication, Collaboration, Critical-thinking and Creativity plus Cultural Competence

Required School-Parent Compact Provisions

Staff Pledge:

To help each student meet or exceed the state's high academic standards, I agree to carry out the following responsibility to the best of my ability:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the Common Core student academic achievement state standards.
2. Communicate regularly with families about student progress through parent-teacher conferences, at least annually, progress reports, and other available means, during which this compact will be discussed as it relates to the individual child's achievement. Specifically, those conferences will be held upon request of the teacher (s), parent(s), or administration.
3. Provide parents opportunities to volunteer and participate in their child's classroom, and to observe classroom activities, as follows: upon appointment and 24-hour prior notice
4. Communicate and explain attendance policy to students and families in detail
5. Be welcoming, receptive, attentive, and responsive to parents and families in a timely manner
6. Make information about school resources regarding health, academic support and meals readily available to families
7. Teach leadership and life skills to students and to create a culture of student empowerment based on the idea that every child can be a leader

Hello Principal Lucas,

I have read the GATE Principal's Checklist, I believe it is accurate, and I approve it.

I do not see an attachment for the SPSA document. Can you please resend and I will review it immediately?

Thank you,

Hi Alicia,

Also, one more document. The reason I am asking you for approval is because you are the only parent serving on SSC at the moment. Next year it will be different.

Here is the final of the SPSA. Today is the deadline. Can you send me an email serving as a signature on the Plan, if you approve?

(Provide your Theory of Action here)

Chronic Absenteeism

IF Monthly meetings are held for families who have 10 or more tardies within a month and/or 5 or more absences within a month

THEN Families are informed about the seriousness of their child's attendance status early in the school year.

SO THAT A focused plan can be created as parent, student and staff work together to ensure better attendance.

WHICH LEADS TO Students attending school every day on time ready and prepared to learn. ELA and Math Assessment scores will increase due to students being in school consistently during critical instructional minutes.

Chronic Absenteeism for African American students will decrease the baseline of 24.2% (Red) from 2019 by a total of 3.0% or more (to reach Yellow) to end at 21.2% or lower by the end of the 2020-2021 school year.

Math

IF Professional Development is provided for teachers on i-Ready Math practices that address how to effectively differentiate instruction for all students

THEN Educators will accelerate the implementation and integration of specific evidence based practices in their classroom

SO THAT Teachers improve their capacity to use standards-aligned, evidence based programs, resources and practices through quality teacher opportunities

WHICH LEADS TO Students are supported by qualified/credentialed, effective teachers and leaders throughout their learning experience and improve achievement overall.

Math for Students With Disabilities will decrease the baseline of -101.5% (Red) from 2019 by a total of -6.5% or more (to reach Orange) to end at 45.1% or lower by the end of the 2020-2021 school year.

Our Children. Learning Today. Leading Tomorrow.

The grey portions detail state requirements of school districts for GATE programs. The white portions that follow are ways that the district expects the schools to implement the state requirements in grey. Please review this revised checklist, which is aligned with the current district GATE plan that has been approved by the State and the Board of Education. Rate your school using the rubric below to show how well the school is implementing the school GATE program in alignment with the district GATE plan.

Rubric

- 1 = This is an established practice that has been in place since before the 2020-21 school year.
- 2 = This practice is being implemented for the first time during the 2020-21 school year.
- 3 = This practice is being developed now to be implemented during the 2020-21 b school year.

Section 1: Program Design

- 1:1 The plan for the district program has a written statement of philosophy, goals, and standards appropriate to the needs and abilities of gifted learners.
- 1:2 The program provides administrative groupings and structures appropriate for gifted education and available to all gifted learners.
- 1:3 The program is articulated with the general education programs.

	1	2	3
Does the school administrative leadership team have access to and review the GATE plan on an annual basis to ensure that the school plan is articulated with the District plan?			
Do K-2 teachers observe for potential giftedness and use flexible groupings in response to observed characteristics of giftedness in the classroom?			
Are GATE students in grades 3-5 placed in cluster groupings or part-time groupings?			
Are GATE students in grades 6-12 encouraged to participate in rigorous classes such as Pre AP, AP and Honors?			
Are GATE services provided to students during the regular instructional school day?			
Are all parents informed of the schedule of the GATE Parent Leadership meetings?			
Are all parents informed of the GATE Parent Education Workshops offered by the District?			
Do secondary counselors review their case loads to be aware of which students are GATE so that they can be appropriately counseled and encouraged to participate in rigorous academic courses as they transition from elementary to middle school and middle school to high school?			

Section 2: Identification			
2:1 The nomination/referral process is ongoing.			
2:2 An assessment/identification process is in place to ensure that all potentially gifted students are appropriately assessed for identification as gifted students.			
2:3 Multiple service options are available within the gifted education program and between other educational programs. Placement is based on the assessed needs of the student and is periodically reviewed.			
	1	2	3
Has a process been developed at the school for teachers and/or parents to request that any student in grades 2-8 be evaluated for GATE identification?			
Is there a plan to articulate the plan above to parents and teachers on an annual basis?			
Does the plan inform parents and teachers of the GATE referral window of August - September?			
Does the school testing calendar include GATE testing administered by classroom teachers in grades 2 during the GATE testing window of October?			
Has a process been developed at the school to review research-based characteristics of giftedness with all teachers, but with special emphasis on 2 nd grade teachers?			
Section 3: Curriculum and Instruction			
3:1 A differentiated curriculum is in place, responsive to the needs, interests, and abilities of gifted students.			
3:2 The differentiated curriculum for gifted students is supported by appropriate structures and resources.			
	1	2	3
Elementary			
Are teachers trained on the development and implementation of an Individual Learning Plan (ILP) for GATE students?			
Do all teachers include a discussion of the ILP during the October parent conference for GATE students?			
Does differentiation of instruction focus on the depth and complexity of content, advanced or accelerated pacing, and the unique expression and application of student understanding?			
Are the following instructional options implemented in the classrooms with GATE clusters:			
• Individual Learning Plan			
• Independent projects/Independent Study/Interest based enrichment opportunities			
• Curriculum compacting			
• IB program			
• Kaplan's prompts of depth and complexity			
• Thinking like a disciplinarian			
• Integration of creative and critical thinking clusters			
• Thematic learning across disciplines			
• Scholarly Dispositions			

	1	2	3
<u>Middle School</u>			
Are high-achieving GATE students placed in accelerated or honors classes?			
Does differentiation of instruction focus on the depth and complexity of content, advanced or accelerated pacing, and the unique expression and application of student understanding?			
Are the following instructional options used in the development of the School GATE Plan: <ul style="list-style-type: none"> ● Honors class ● Pre-AP classes ● IB classes ● Enrichment classes ● Vertical subject-matter acceleration ● Options for GATE Advisory 			
<u>High School</u>			
Do honors classes offered in the core subject areas of ELA and math provide a more rigorous educational experience?			
Does differentiation of instruction focus on the depth and complexity of content, advanced or accelerated pacing, and the unique expression and application of student understanding?			
Are GATE students monitored for under-achievement and provided with one-on-one counseling to address their needs?			
Are Advanced Placement classes available?			
Is the IB diploma/certificate program available?			
Do students qualify for enrollment in Honors, Advanced Placement, and/or IB classes based on teacher recommendation, GPA, grades in the specific subject, standardized test scores, and/or portfolio or demonstration options?			
Are the following instructional options used in the development of the School GATE Plan: <ul style="list-style-type: none"> ● Honors classes ● AP classes ● IB classes ● Career Pathways classes/Independent Study ● Vertical subject-matter acceleration ● Options for GATE Advisory 			
<u>All Grades</u>			
Does the Principal provide leadership in supervising and monitoring implementation of the GATE Principals Checklist to ensure that GATE students are receiving an appropriate education?			
Does the Principal lead the work of the School GATE Team (Principal, GATE Site Representative, GATE Parent Representative) to review and modify the GATE Principals Checklist annually as needed?			
Does the School Site Council review and approve the GATE Principal's Checklist annually?			

Do students have an opportunity to provide input on their educational experience and the level to which their needs are being met?			
Is the GATE Principal's Checklist developed in response to the specific and varied learning needs of the individual school population?			
Section 4: Social and Emotional Development			
4:1 Actions to meet the affective needs of gifted students are ongoing.			
4:2 At risk gifted students are monitored and provided support (e.g. underachievement, symptoms of depression, suicide, substance abuse).			
	1	2	3
Do schools provide enrichment activities that foster social interaction among GATE students?			
Do elementary GATE students have the opportunity to visit secondary schools and/or shadow secondary students in Honors or AP classes to help ease anxiety about transitioning to secondary school?			
Are high school students informed of the opportunity for concurrent enrollment at Pasadena City College?			
Do GATE students have access to small-group counseling sessions offered at the school and are made aware of services available outside of the school?			
Do middle and high school students have an option for a GATE focused advisory to support their specific social & emotional needs?			
Section 5: Professional Development			
5:1 The district provides professional development opportunities related to gifted learners on a regular basis.			
	1	2	3
Does the Principal schedule time for the GATE Specialist to provide professional development at the school site during A meetings on any of the following topics: <ul style="list-style-type: none"> ● PUSD GATE Program Overview ● GATE Identification Process ● Characteristics of Gifted Learners from Diverse Populations ● How to get or renew GATE Certification ● How to create and use the Individual Learning Plan 			
Does the Principal schedule other GATE related professional development at the school site during A meetings on any of the following topics: <ul style="list-style-type: none"> ● Kaplan's Prompts of Depth and Complexity/Content Imperatives ● Acceleration of content (Universal Themes and Big Ideas) ● Differentiation of skill, product, process ● Critical and Creative thinking ● Independent Study/Developing an Interest ● Characteristics of Giftedness ● Scholarly Behaviors (Thinking like a Disciplinarian) ● Interdisciplinary lesson development 			

Section 6: Parent and Community Involvement			
6:1 Open communication with parents and the community is maintained.			
6:2 An active GATE advisory committee with parent involvement is supported by the district.			
	1	2	3
Does the school have a GATE Parent Advisory Committee (PAC) that meets four times per year?			
Does the GATE PAC review the School GATE Plan for the purpose of suggesting improvements?			
Is the socioeconomic, linguistic and ethnic diversity of the school represented on the GATE Parent Advisory Committee?			
Does the school regularly send a parent representative to the District GATE Parent Leadership meetings?			
Is the School GATE Plan shared with parents and the community effectively and systematically?			
Section 7: Program Assessment			
7:1 The district provides ongoing student and GATE program assessment that is consistent with the program's philosophy, goals, and standards.			
	1	2	3
Do all stakeholders (GATE PAC, administrators, teachers, community members, and students) have an opportunity to give input on the development, implementation, and effectiveness of the school GATE program on an annual basis?			

Based on the above needs assessment, identify a SMART goal for 2020-21 for GATE at your school site:

School Accountability Report Card Reported Using Data from the 2018–19 School Year California Department of Education

Address: 2600 Paloma Street
Principal: Debra Lucas

Phone: (626) 396-5660
Grade Span: Pre-K-5th

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About our School

Welcome to Norma Coombs Elementary School. We are a learning community committed to professional growth and development to maintain a standard for excellence in overall academic achievement.

We are proud of the soaring levels of academic achievement of its students, the quality of instruction provided by its teachers, and the rich diversity (ethnic, cultural, linguistic, and socio-economic) of our families. The administrative and classified staffs support the work of the instructional staff, ensuring that teachers have the professional development, materials, supplies, clean and safe facilities, needed to maximize the teaching and learning experiences in the classroom, on the playground, and in the community. Norma Coombs School offers a variety of co-curricular and extra curricular activities, including an instrumental music program at 2nd -5th grades, a chorus program, science fair, book fair, student council, yearbook, Leader In Me (7 Habits of Happy Kids), Code to the Future Science Immersion Program, Ceramics, and STEM Innovation Club. Many of these activities enrich the education of Norma Coombs students and make us more cohesive as a community. The California Department of Education (CDE) has recognized Norma Coombs for its student achievement in 2016 with California Gold Ribbon for its Balanced Literacy Framework and a Title I Academic Achievement Award. This award acknowledged that all students at Norma Coombs School are making significant progress toward proficiency on California's academic content standards and that the subgroups within the school are meeting or exceeding the achievement targets set by the State of California and the federal government. The Norma Coombs staff is proud of and dedicated to the success of our "Little Lions". We are a community that practices peace and kindness.

School Facility Conditions and Planned Improvements

Norma Coombs Elementary School was originally constructed in 1972 and is currently comprised of 25 classrooms, a library, a cafeteria, two art rooms, a computer lab, one staff lounge, an auditorium and two playgrounds. In the summer of 2009, the school added a new shade structure and new grass was planted on the primary playground. Future deferred maintenance projects included exterior painting of all south facing windows and trim.

Construction for two beautiful buildings began in the Spring 2017. The school has also received three surplus modular units from the District to help with housing displaced classrooms during construction, but the units will remain after construction to provide some additional classroom options.

Norma Coombs provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with an emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with custodians to develop sanitation schedules that ensure a clean, safe, and functional environment.

A scheduled maintenance is administered by the custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Pasadena Unified School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Career Technical Education (CTE) Programs (School Year 2018–19)

Narrative provided by the LEA (District CTE Department)

Use this space to provide information about Career Technical Education (CTE) programs as follows:

- A list of programs offered by the school district in which pupils at the school may participate and that are aligned to the model curriculum standards adopted pursuant to Education Code Section 51226; and
- A list of program sequences offered by the school district. The list should identify courses conducted by a regional occupational center or program, and those conducted directly by the school district; and
- A listing of the primary representative of the district's CTE advisory committee and the industries represented on the committee.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019–20)

Norma Coombs Elementary has consistently logged some of the largest Parent Volunteer hours in the district. We logged over 5700 hours last year. In addition to classroom support, we have opportunities for parents to serve on organized committees such as PTSA, ELAC, African-American Parent Council (AAPC), Annual Fund Committee, GATE Parent Advisory Council, and School Site Council. Parents support in other ways by leading school tours, assisting with ceramics instruction, and maintaining our garden spaces. If parents have an idea to support the school, e.g., implementing a Lost and Found system or creating a Craft Table for students before school, or organizing a recycling program, they are encouraged to lead those efforts.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and

- High school graduation rates

School Safety Plan (School Year 2019–20)

The safety of students and staff is a primary concern of Norma Coombs Elementary School. Entry and exit from the campus was difficult last school year due to construction of the new administration building and classroom buildings. Currently, all visitors to the campus must sign in at the office and wear a visitor's badge at all times. Students are monitored before, during, and after school by supervisors, resource teachers, and the principal. Teachers help supervise students during recess. All student drop-off and pick-up are at the circle drive with teachers assigned to weekly supervision. The School Site Safety Plan is revised annually in the spring by the Leadership Team and School Site Council. The Safety Plan is reviewed with all staff members at the beginning of each school year. The plan was most recently updated and reviewed with school staff in 2018. Key elements of the Safety Plan include maintenance of a safe, orderly, and drug-free school. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake

standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during an emergency. Fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year.

YMCA Before and After School Program

LEARNs Before and After School Program. We have an outstanding teaching core. They are a veteran and well-trained staff in teaching that impacts student learning.

Our primary instructional focus is building and improving reading and literacy skills. Areas of emphasis include Reading, Writing, Listening, Speaking, and Viewing. We will accomplish this through implementing a balanced literacy framework to include: *Reading Aloud (Modeled Reading) *Modeled or Interactive Writing *Shared Reading *Shared Writing *Guided Reading *Guided Writing (Writing Workshop) *Independent Reading Independent Writing. We have classroom libraries in every class with more than 600 books each. We have a 1:1 ratio of Chromebooks for every TK-5 student. Our Signature Ceramics Program provides a semester of Ceramics for every student. We have prioritized Music at Grade 2 by funding

Recorder Instruction. Code to the Future is our Science Immersion Program that provides weekly coding classes for students TK-5.
