## *Title I, Private Schools Program (PSP)*

---

The Title I program provides supplemental educational services so that all children have a fair, equal, and significant opportunity to obtain a high-quality education. Generally, to qualify for assistance under Title I, a student must reside within the attendance area of a participating public school located in a low-income area and be failing, or at risk of failing, to meet student academic achievement standards.

Under Title I, local educational agencies (LEAs) are required to provide services for eligible private school students, as well as eligible public school students. In particular, §1120 of Title I, Part A of the Elementary and Secondary Education Act (ESEA), as amended by the No Child Left Behind Act (NCLB), requires a participating LEA to provide eligible children attending private elementary and secondary schools, their teachers, and their families with Title I services or other benefits that are equitable to those provided to eligible public school children, their teachers, and their families. The Title I services for private school students must be developed in consultation with officials of the private schools.
