

Sierra Madre Elementary School Supply List

Due to continued budget constraints, we are providing a suggested supply list by grade level. Please note the size, quantity and name brand preferences. If you are unable to provide or locate any of these items, please **DO NOT BE CONCERNED**. Teachers may ask for additional items throughout the school year. Be aware that many items purchased will be used communally, so we ask that you do not put your child's name on them. Students may bring these items in a separate bag during the first week of school. Thank you for all your support!
