LOST & FOUND

Meet Fetch, our helpful search dog!

Hi, I'm Fetch! I found your stuff!

Labeling

Label outerwear with CHILD'S FULL NAME.

Choose a visible spot: inner collar; across shoulders; across bottom interior.

Use black Sharpie! Write big!

Avoid little tags that crumple & fade.

Last names = correct owners for identical items.

Label EVERYTHING YOU DON'T WANT TO LOSE or have taken home by another child.

Finding

- Clothing gathered from playground daily
- Displayed in auditorium hallway
- Items removed at school's discretion to keep area clean
