

Calling all Alhambra and Pasadena high school Sophomores and Juniors:

Become a Caltech Earthquake Fellow!

Join our 5 month program to: understand the science of earthquakes, learn how to measure them, and gain the skills needed to succeed in university settings.

**Apply now at
seismolab.caltech.edu**

The Fellowship runs May to September on selected Saturdays plus a month of weekdays in the summer (July), and Fellows receive a computer to keep as well as a stipend for hours worked.

**Applications are due by March 18, 2022
All details can be found at seismolab.caltech.edu**
