General Information

Breakfast/Lunch Program

Free breakfast and lunch is available to all students. No application is required.

Closed Campus/Leaving Campus

Marshall Fundamental Secondary School is a closed campus. Once a student arrives on campus, they must remain on campus. Students may not leave campus at lunch. When students need to leave campus for any reason, they must get an off-campus pass from the Attendance Office. Students with minimum day schedules must have a minimum day pass. Not having an off-campus pass or minimum day pass means remaining on campus until the end of the school day. Students leaving early must exit through the main doors. Students with a minimum day pass or an off-campus pass must leave campus once their school day has ended. Students off campus without a pass may be cited and returned to Marshall Fundamental Secondary School. Students found on other Pasadena Unified School District campuses will be subject to an appropriate school consequence.

The school buildings are closed and secured 30 minutes after student dismissal. For your child's safety, all students on campus after student dismissal must be in a supervised activity (eg. sports practice, LEARNs).

Visitors will not be allowed on campus.

Delivery of Gifts for Students

Balloons, flowers, lunch and other items should not be brought to students and will not be accepted during the instructional day. Any items brought to campus for a student must be clearly marked with a name and/or ID number and left in a designated location. All items are brought to campus at the risk of the parent and/or guardian and students.

Disaster Drills & Evacuations

The major types of drills are earthquake, fire/evacuation, and lock down/shelter in place. During a lock down or shelter in place drill the school will be locked and closed. This is for the safety of the students and staff. No one from outside the school will be allowed into the school until the drill is complete or the lockdown or shelter in place is called off. A lockdown is to protect from a human threat of violence. A shelter in place is to protect from an airborne biological or chemical agent. During an evacuation drill, all students and staff will proceed to the football field which is the primary evacuation area. In case an off-site evacuation

becomes necessary, all Marshall students and staff will proceed to a designated location.

Anytime a disaster occurs, when it is deemed safe, a request gate and reunification gate will be established at the gates of the North parking lot on Casa Grande. Reunification gate location may change based on safety or logistical needs. Students will only be released to parents, relatives, or family friends listed on the emergency form with proper identification.

Emergency Telephone Calls

A student may use an office telephone in an emergency to contact a parent or guardian. If a parent or guardian needs to get an emergency message to a student, please call the Main Office and a paper message will be delivered. **Please do not text or call your child on his or her cell phone during school hours.** Telephone calls are not transferred to the classroom during instructional time.

The Parent Portal gives parents access to view their children's attendance, assignments and grades. To set up a Parent Portal account, bring your driver's license to the Main Office. You will receive a verification code and instructions to set up your account.

Attendance/Tardy Policy

Excused Absences

An excused absence includes personal illness, quarantine (directed by a doctor), medical appointments or funeral services for a family member. Students can also be excused for justifiable reasons including religious reasons, work, court appearances, jury duty, etc. Students, parents and guardians are encouraged to make all appointments after school or during school holidays.

The annual parent notification that explains the Education Code attendance policy (Education Code 48205) is available upon request from the Assistant Principal for Guidance and Supervision.

Marshall Fundamental School requires a note or a telephone call from a parent or guardian to clear and excuse or explain an absence. Other allowable methods to verify student absences include emails, faxes, physician verification or verbal confirmation in person. Please be advised, *students will only be excused with parent and/or guardian verification for absences due to illness, religious reasons and funerals.* Absences due to legal appointments, work or medical reasons will only be excused with a valid note from the appropriate party (lawyer, employer, medical doctor, etc.) when appropriate. Without said notes, absences will remain unexcused.

Any of the above should be delivered to the Attendance Office immediately. (Notes are time-date stamped and cleared via computer.) **An absence must be cleared within 5 school days upon the student's return to school. After 5 days, the absence will remain unexcused.**

Unexcused Absences

Unexcused absences include, but are not limited to, vacations, family reasons/emergencies, personal reasons and sports, events, and/or clubs not in the domain of district/school events.

There is also a limit to absences verified by parents due to illness (per year). After 10 instances of parents and/or guardians verifying absences due to illness, students who miss school due to illness without a doctor's note will be marked as unexcused for missing class. This is not specific to full-day absences and will apply to single-period absence instances.

Early Pick-Up

We do not allow students to leave campus without a parent or guardian during school hours. When students are picked up early from school, we require that parents, guardians or anyone else on their contact list sign students out at the front office. If students are leaving for medical appointments, they will be marked out as ill until a medical note or appointment notice is submitted to us.

Tardy Policy

Students must arrive at school promptly at the beginning of each school day and must be in their seats and prepared to do the work for class at the beginning of each period. In an effort to reduce/eliminate student tardies, please note the following:

- Regular tardy sweeps will be announced and detention and/or Saturday School will be assigned to habitual offenders.
- Unexcused tardies will result in parent notification and/or conference as well as referral to the Assistant Principal for Guidance and Supervision.

Students must be seated in class before the bell to begin class rings.

In an effort to promote improved attendance, students are not allowed to go off campus after the bell to begin the first class of the day has rung. Students may leave campus early ONLY after obtaining an off-campus pass from the attendance office.

Consequences for excessive tardies per grading period may include:

- After school detention
- Behavior / attendance contract
- Loss of school privileges and participation in school activities
- Parent / teacher conference or parent / administrator conference

To have a tardy excused, a student must bring a note from the parent/guardian or the parent/guardian must call the Attendance Office (396-5810 ext.64001) no later than 12 noon.

Truancy

Truancy is defined as the absence from school without a legal excuse. Any student who is absent without a valid excuse for any period on any three days is considered truant and in violation of California law (EC 48260). Please be advised that students who are late or absent 30 minutes or more without a valid excuse shall be marked as such, and that will carry the same weight as an absence.

Excessive absences/tardies will result in severe consequences such as:

1. Exclusion from school activities
2. Referral to School Attendance Review Team (SART) and/or District School Attendance Review Board (SARB)
3. Police citation
4. Non-promotion
5. Loss of senior and graduation privileges

Students are expected to comply with District and Marshall Fundamental Secondary School standards of conduct and appearance. It is expected that students from Marshall refrain from all activities that may infringe on the individual rights of another person, disrupt the learning process, or result in bodily harm to another person or themselves. Students are also expected to refrain from all activities that are in violation of the California Education Code or the Pasadena Unified School District Policy.
