

College & Career Pathways transform students' high school experience by helping them gain advantages in high school, college and careers. The Pathways provide a challenging experience that inspires students to learn and give them access to education that is both rigorous and relevant, while also addressing actual needs in our state's economy. Students in Pathways are acquiring a strong academic foundation with transferable skills that expand their post-secondary options.

Below is a list of how our business and community partners can help...

ACTIVITY	DESCRIPTION	ESTIMATED TIME
CLASSROOM SPEAKING	Visit students in the classroom to discuss your industry and profession.	1 hour (per session)
CAREER DAY	Provide students with the opportunity to learn about your industry or profession by meeting with multiple professionals from your organization.	2-3 hours (per day)
JOB SHADOWING	Give students and teachers a firsthand look at your industry as they shadow professionals in your workplace.	Half/Full day
ADVISORY COMMITTEE	Meet with teachers and administrators to help develop solutions for the challenges they face.	Determined by partners
PROFESSIONAL DEVELOPMENT	Utilize business staff to support Teachers in learning about your industry and how to ensure relevance in daily curriculum	Determined by partners
CURRICULUM DEVELOPMENT	Advise educators on creating real world, work-related experiences in lessons and labs to meet industry needs and practice.	Determined by partners
INTERNSHIPS	Provide job or internships for students to learn job skills and experience the real world industry needs and practices.	Full/Part-time
TEACHER EXTERNSHIPS	Provide an opportunity for teachers to work outside of the classroom to strengthen their knowledge of your industry and incorporate this knowledge back into their classroom.	Determined by partners
FINANCIAL SUPPORT	Provide internship stipends for students for a specified period of time to lean job skills, or provide funding for College & Career Pathways sponsored events such as the College Fair.	Determined by partners (No gift is too small)
