

# Early College Outcomes

## ● Inquiry

Develop thoughtful questions. Conduct research. Clarify thinking to solve problems. Present findings.

## ● Reading & Writing

Read and comprehend critically. Write with precision, clarity, and coherence.

## ● Reflection

Connect, build, revise, and refine proposals and products. Reflect on performance and growth as a learner.

## ● Presentation

Defend a perspective to an audience, using media to clarify content. Listen actively and respond effectively.

## ● Agency

Use effort, practice, and resources to improve academically. Identify strengths and successes. Develop meaningful goals.
