

## Graduate Portfolio Tasks -- with deadlines for 2018-2019

### **Suggested order and deadlines/steps to completion:**

#### **August 13:**

1) Choose two to three artifacts that represent most nodes of the graduate profile (critical thinker, creative/innovative thinker, communicator, collaborator, prepared for college/career, culturally competent citizen).

- One artifact must be a 5-7 page essay, researched and with citations (citation page included in page count).
- One artifact must be a creative project.
- If your creative project is not collaborative, it is recommended to add a third project that is collaborative (like the Innovation Project).

#### **September 4:**

2) Fill out an artifact reflection sheet for each artifact.

- Upload each artifact to your your PowerLearning ePortfolio

#### **September 17:**

3) Write a 2 ½ to 3 page “graduate reflection” about your learning and skills that show your progress. Use your artifacts to show how you have grown over your high school years.

- Upload your overall “graduate reflection” onto your PowerLearning page.

#### **October 1:**

4) Create your presentation.

#### **October 10:**

5) Practice your presentation with a mentor.

#### **October 12:**

6) Give your presentation in front of a panel (including Marshall faculty, students, and possibly community members)

*Note: this is the presentation checklist order, however, these suggested dates are for students scheduled to present in October. Other students will be notified via email to sign up for future dates.*
