WHEREAS, the District desires to revise its geographic subdistrict boundaries to comply with the law and the Charter; and

WHEREAS, on July 29, 2021, the Board appointed three members to the Redistricting Commission ("Commission") and accepted six other members to the Commission who were appointed by the City of Pasadena, the City of Sierra Madre, and the County of Los Angeles; and

WHEREAS, following the release of 2020 census data in 2021, the District contracted with nationally recognized demographers to assist the District and the Commission with the development of geographic subdistrict plans that meet all requirements of state and federal law; and

WHEREAS, over the last six months, the Commission conducted four public hearings and invited community input on the proposed redistricting maps; and

WHEREAS, on January 31, 2022, the Commission submitted its Report to the District wherein the Commission recommended a map that revised existing subdistrict boundaries; and

WHEREAS, the Board held a public hearing and accepted receipt of the recommended maps at its meeting on February 10, 2022; and

WHEREAS, the Board has reviewed the recommended sub-district maps and, after consideration of all input and analyses, now desires to adopt the geographic subdistrict map attached as Exhibit A and the plan boundary descriptions as Exhibit B; and

WHEREAS, the geographic subdistrict map attached as Exhibit A revises the boundaries of the geographic subdistricts such that they are as nearly equal in population as possible and meet all legal requirements; and

WHEREAS, Education Code section 5019.5 requires that the Board adjust subdistrict boundaries no later than the end of February following the year in which federal census data is released;

NOW, BE IT RESOLVED that the Board of Education of the Pasadena Unified School District hereby resolves as follows:
