***STATISTICS***

*Pasadena High School Athletic Director, Mrs. Jennie Jacobsen-Huse -  
Congratulations to the Pasadena High School 2018 Boys Tennis Team! The boys team  
was young this year, and with the experience from this season they will only move  
forward! Continue playing tennis as much as possible. Hopefully, we will grow in  
numbers in the upcoming seasons! Thank you to the coaches for all of their work!*

*Coach Scott Eaton – “There was some improvements, but the lack of effort and the few  
members that seemed to care dampened everything”*

*Coach Derek Jones – “After the success we had last year, playing in the CIF Southern  
Section playoffs, I thought we were set for another great year. We lost to whole team,  
in one way or another and had to start from scratch. All year long we were trying to  
piece together a team, with players quitting, all the way up to the last match of the  
season! For you guys that stuck it out, GREAT JOB! Its not easy going to a match and  
knowing that your oppenent is pretty good and its going to be a rough day. Most of you  
came to practice evryday and gave your best effort. I couldn’t ask for anything more.  
And, in the end you got better! To a man, you were better at the end of the season than  
you were at the start. What are you going to do now? Stay on the court, take those  
improved skills and make them even better! Next year, like Cody and Brandon said,  
we’ll be evn better and ready to compete! Have a great summer and as always, Play  
Some Tennis!!!”*

**CONGRATULATIONS BOYS TENNIS!!**

### **Khai Sam – Sophomore**

*“Bus rides are really long and fun. I like how Jessie get into singles 3 instead of singles 2 because he lost one match to Will. I actually can’t believe that I got into doubles 1 for a period of time with like 3 partners: Joshua, Sebastain, and Narek. It is disappointing that Sebastain and Brandon will leave the team, but worse is Jack’s and Kiedas’s departures. They left a gaping hole in the team and the reasons weren’t quite clear. Jack likely have too much on his plate as a senior, however, for Kiedas to be suspend from school because of his text message, I think that is the worst post. Cody was put in the part of being “the best” and he is just a freshman. It hurt that he can only play on Tuesday and Thursday, which are game days. This prevent him from building better bonds with the team. I think if he weren’t shadowed by failure the entire season, everybody won’t want to leave the team I have good hope that we can do better next year.”*

## Will Tamrowski – Freshman

*“My statement about this year is it was a good experience to see how I play against other players at Varsity level. It showed me that I have a long way to go to become more experience. The tennis program was an overall good experience. My highlight of the 2017-2018 season was during pre-lims and I got to try it out. It was a good experience to see how I can compare to other player’s skillset as a freshman.”*
