Hunt for  
Summer Academy's  
resident hawk!

Learn to use the Merlin app  
to discover birds by their  
song & use calls to attract  
birds in the area!

Explore the SA  
garden to discover  
the plants & insects  
that feed our  
native birds.  
Make & take a bird  
feeder for your  
own backyard!

Watch birds  
from all over  
the world in  
their natural  
habitats!

And much, much more!

For rising Kindergarteners through rising 4th graders

\*All students must be age 5 or above.\*

All ages are as of the 2024 - 2025 school year.

**Camp is contingent upon number of students enrolled.**
