Get Prepared for a Skilled Trades Apprenticeship

Are you interested in a union apprenticeship at a public agency? Get the skills you need to pass the exams and be successful in your job search.

GET STARTED: jvs.org/laney

Are you interested in hands-on work? Union apprenticeships and careers at public agencies offer great benefits and opportunities for advancement. Get prepared to perform well on apprenticeship and civil service exams with this **free 14-week program**. Women and job seekers with previous conviction histories are encouraged to apply.

This part-time program provides:

- Paid on-the-job training at Bay Area public agencies
- Preparation for success in the union apprenticeship and civil service process
- Instruction in math, test-taking strategies, and spatial & mechanical reasoning
- Job search skills, cover letter and resume assistance
- Site tours of potential employment sites at water and wastewater agencies
- Post-internship job placement services & referrals to job openings with Bay Area agencies
- Referral to local apprenticeship and civil service testing opportunities

Application Process:

1. Fill out the online application here: www.jvs.org/laney

2. Eligible applicants with complete applications will be invited to math testing and an in-person interview

3. High-scoring applicants will be accepted

4. Selected candidates will be invited to attend a mandatory orientation/welcome session

Application Deadline: March 6th at midnight

Program Dates

March 17th - June 19th, 2020
T/W/Th 3:30-6:30pm
