## About Us

SAFACT is a non-profit organization and is solely made up of volunteers. The SAFACT party is a chaperoned, drug/alcohol-free all-night party for all Estacada area Seniors (proof of enrollment or residency requested). The graduates will be whisked off to a fun & safe location by bus, where they will celebrate their accomplishments with food, activities, & prizes. When we arrive back in the morning, the graduates will enjoy breakfast together before receiving their prizes.

## Our Vision

Photographers will be on site to document the night for our seniors.

All bags will be checked. Bag check-in is June 15, 2023 11am-1pm at EHS. They are allowed a towel, swimwear, a change of clothes and hygiene items. Medications can be checked in and administered that night.

There will be no phones, smart watches, or devices
