

Edison Elementary

School Community Council Meeting minutes

December 15, 2023

Meeting started at 8:10 am

Welcome: Richard Squire

Gloria Fragoso and Richard Squire were the only community council members present.

Discussion was centered around the drop off and pick up of students in front of the building. It was agreed that the drop off and pick up times are not ideal as many parents do not use the drop off pull through lanes as they should with many parking in the lane and then other parents double parking. This causes traffic jams as cars cannot pullout and allow others in.

Also of concern is both students and parents not using the cross walk and going between cars.

Mrs. Fragoso and Mrs. Satterwhite both volunteered to come and help out with the pick up times. Mr. Squire is outside working when he does not have meetings such as IEPs that he must attend. Mr. Squire is trying to educate parents and let them know they cannot double park and also to get people only crossing at the cross walks.

Discussion concluded with parents feeling somewhat better but with the knowledge this does need to be addressed further.
