2024-25 WHS JUNIOR Registration Worksheet – Class of 2026

Student Name/ID: _____

Student Cell Phone: (_____)_____

> **I have reviewed my student's requests**: _____
>
> ### Parent Signature Required

REGISTRATION WORKSHEET KEY			
☐	= Semester class (Darken box and count as one)	CAPITAL LETTERS =	Yearlong class **(select BOTH A&B)**
☐☐	= Yearlong class (Darken both A/B and count as two)	**BOLD LETTERS** =	New class for next year
☐/☐	= Semester class that can be repeated (Darken one or two semesters)	* =	A class with a prerequisite or recommendation (See Course Catalog)

- **STEP 1: Fill out this Registration Worksheet.**
- **STEP 2: Log in to your StudentVue account and <u>complete your online registration.</u>**
- **STEP 3: Select Courses** (Please be sure to select **14 boxes**, in order to complete your online registration.)
- **STEP 4: Turn this completed worksheet in to your 3rd Period Teacher, with parent signature, on <u>March 5th</u>.**

Important – All students will have a 7-period day for the 2024-25 school year.

ENGLISH: Four years required for graduation.

Science		
Other Alternates		

Course Catalog

Read the Course Catalog carefully. It is available online at https://woodinville.nsd.org under Counseling, then Registration 2024-25. Check for course prerequisites, or recommendations needed for classes. Pay special attention to graduation requirements and college admissions requirements.

WANIC: WANIC courses and applications can be found on the WANIC website at https://wanic.lwsd.org. ***Students must still complete Steps 1-5 above.***

Satellite (classes offered at BHS, IHS,NCHS & WHS): Students interested in attending a Satellite program must complete an application by March 25th. To start the application process, students must submit an interest form found at http://go.nsd.org/satapp. ***Students must still complete Steps 1-5 above.***

AUTO TECHNOLOGY (BHS)	CULINARY ARTS (BHS)	WELDING/CORE PLUS AEROSPACE MANUFACTURING (WHS)
BAKING & PASTRY ARTS (BHS)	SPORTS MED/ATHLETIC TRAINING (BHS)	MEDICAL PROFESSIONALS ACADEMY (WHS)
CAREERS IN EDUCATION (BHS)	IB DESIGN & TECHNOLOGY (IHS)	EMERGENCY CERT ACADEMY (WHS)
CORE PLUS CONSTRUCTION (BHS)	SPORTS MED - BEGINNING (IHS)	AVIATION (NCHS)
		INTERMEDIATE DATA PROGRAMMING (NCHS)

RUNNING START: *To participate in Running Start, students must download and complete a Running Start information packet from the WHS Counseling page under the Running Start tab at https://woodinville.nsd.org/. Students must also do research on the Running Start program at their selected community college. Students must meet with their counselor to complete the enrollment process.* ***Students must still complete Steps 1-5 above.***

Turn this completed worksheet with <u>parent signature</u> into your 3rd Period Teacher on <u>March 5th.</u>
If you have any questions regarding registration, contact your counselor.

DIPLOMA REQUIREMENTS FOR GRADUATION

The following subject areas and credits are required for graduation.

Subject	Credits
English	4.0 credits
Mathematics	3.0 credits
Science	3.0 credits
Social Studies	3.0 credits
Health	0.5 credit
Life Fitness	0.5 credit
Physical Education	1.0 credit
Career & Technical Education (CTE)	1.0 credit
The Arts	1.0 credit
Flexible Credits	7.0 credits (3.00 PPR* + 4.00 Elective Credits)
TOTAL	**24.0 credits**

Students will complete **17 Core** credits plus **3 Personalized Pathway*** plus **4 Flexible** credits.

* *PPR = Personalized Pathway Requirements: Courses that lead to a specific post-high school career outcome chosen by the student, based on the student's interest and High School and Beyond Plan.*
  - **English**: 4.0 credits of English/Language Arts
  - **Mathematics**: 3.0 credits: 1.0 Algebra I, 1.0 Geometry, and a 3rd credit of math chosen by the student based on the student's interest and High School and Beyond Plan.
  - **Science**: 3.0 credits: 2.0 credits of lab science and a 3rd credit of science chosen by the student based on the student's interest and High School and Beyond Plan.
  - **Social Studies**: 3.0 credits: 1.0 World History/AP Euro/AP World History, 1.0 US History/AP US History, and 1.0 Senior History Equivalents (0.5 credit in Contemporary World Issues and 0.5 of Civics/AP Gov Pol/CHS Global Studies)
  - **Health and Fitness:** 2.0 credits (1.0 credit in Physical Education, .50 credit in Life/Fitness, .50 credit in Health)
  - **Career and Technical Education (CTE)**: 1.0 credit that meets CTE exploratory requirements or higher.
  - **The Arts**: 1.0 credit to be met in visual and/or performing arts courses.
  - **Flexible Credits**: 7.0 credits (3.0 PPR + 4.0 Elective Credits)
    - **World Language:** 2.0 credits required for College Admissions
  - Successfully complete two courses in any combination of College in the High School, CTE Dual Credit (formerly known as Tech Prep), AP, **and/or** Running Start, unless an alternative course of study is identified through the student's High School and Beyond Plan.
  - One semester in Washington State History and Constitution must be met in 7th grade as a non-credit bearing high school course.
  - Complete the High School and Beyond Plan through Naviance.
  - Meet all state high school assessment requirements, met through the SBAC or the Grad Pathway Options.

To preserve the integrity of the Northshore comprehensive high school diploma, 85% of the required credits for graduation shall be earned through the student's comprehensive high school course offerings. No more than 50% of the graduation requirements in any discipline may be obtained from approved accredited sources outside the Northshore School District. Students who earn more than 15% of the total required credits or more than 50% of the required credits in any discipline from outside sources, and who complete all district requirements for graduation, shall receive a generic Northshore School District diploma.

Strengthening Our Community Through Excellence in Education

Graduation Pathway Descriptions

All high school students must meet English Language Arts (ELA) **AND** Math standards through a graduation pathway that aligns with their post-high school plan. There are three graduation pathways: **General Postsecondary Education**, **Career/Technical Field**, and **Military Career Interest**. This document was created to educate students and families on the different options to meet ELA and Math standards as it aligns to the student's graduation pathway. The information in this document contains the typical ways WHS students meet the graduation pathways. For additional information on pathways, visit sbe.wa.gov/our-work/graduation-pathway-options.

General Postsecondary Education Pathway

Students who are interested in attending college after high school have multiple options to meet the General Postsecondary Education pathway. These options can be mixed to fulfill the ELA and Math standards.

Options	ELA Standard Criteria	Math Standard Criteria
SBAC*	ELA Score of 2548+	Math Score of 2595+
ACT	ELA Score of 14+ *(must include ACT essay)*	Math Score of 16+
SAT	ELA Score of 410+	Math Score of 430+
Advanced Placement (AP)	Exam Score of 3+ **or** grade of C+ or higher in **ONE** of the following: ● AP English Language ● AP English Literature ● AP Macroeconomics ● AP Microeconomics ● AP Psychology ● AP US History ● AP World History ● AP Gov/Pol	Exam Score of 3+ **or** grade of C+ or higher in **ONE** of the following: ● AP Statistics ● AP Comp Sci A ● AP Comp Sci Principles ● AP Calculus
Dual Credit (Running Start or College in the High School)	Earned 1.0 high school credit in English course	Earned 1.0 high school credit in Math course

*SBAC is required for all 10th graders and is offered to 11th and 12th graders to meet the general postsecondary education pathway. SBAC scores may also be used for college course placement at the 34 Washington community and technical colleges. We advise students and families to research how the SBAC can be used for course placement at other prospective colleges and universities.

Career/Technical Field Pathway

Students who are planning to pursue Career/Technical Education after high school must pass 2.0 credits within one CTE Course Sequence. Students do not need to meet ELA and Math standards separately for this pathway. Please verify your CTE courses with your school counselor if you do not see your course(s) below.

CTE Course Sequence	CTE Course Options *denotes semester-long (0.5 credit) courses*
Business & Marketing	- AP Macroeconomics/Microeconomics - Finance - Business Law* - MS Office Certification* - Intro to Marketing - Adv Marketing/DECA - Market Management - Retail Operation
Health Science Services	- Health Science Careers - Biotechnology - Adv Biotechnology
Human Services	- ASL 100 - ASL 200 - ASL 300
Skilled & Technical	- Animation Technology* - Aviation - Digital Music Production* - Adv Digital Music Production* - Emergency Cert* - Video Production* - Welding - Welding Tech*
STEM	- Intr Engineer Design* - PLTW Aerospace Engineering - Intro to Robotics - Adv Robotics* - Intro to Comp Sci Principles* - AP Comp Sci A - Adv Prog Topics 1* - Adv Prog Topics 2*
Many WANIC courses will meet a CTE Course Sequence. Please confirm with your school counselor.	

Military Career Interest Pathway

Students who are interested in a military career must score 31 or higher on the ASVAB to meet this pathway. Students do not need to meet ELA and Math standards separately for this pathway. Reach out to your counselor if you are interested in taking the ASVAB.

For additional information on graduation pathways, please visit
https://www.sbe.wa.gov/our-work/graduation-pathway-options.

Additional Required Courses to Graduate

- Fine Art (2.0 credits) OR 1.0 Art + 1.0 **PPR***
- Electives/additional credits chosen by student (4.0 Credits)
- Life Fitness (.5 Credit)
- Career and Tech Ed (1.0 Credit)
- **Students must complete (in any combination) Dual Credit (formerly Tech Prep), College in the High School, 2 AP Classes, and/or Running Start classes, unless an alternate course of study is identified in their High School and Beyond Plan (see reverse for list).**

College Admissions Requirements

- English: 4.0 credits
- Mathematics: 3.0 - 4.0 credits (minimum through Algebra II, math also required during senior year for college admissions)
- Science: 3.0 - 4.0 credits (students must complete two credits of a lab science, one must be an algebra-based science)
- Social Studies: 3.0 - 4.0 credits
- The Arts: Check with your specific college, as some require 2 one-semester courses from the same discipline i.e., visual or performing arts
- World Language: 2.0 credits minimum (of the same language)

Personalized Pathway Requirements (PPR)

*PPR = Personalized Pathway Requirements: Courses that lead to a specific post-high school career outcome chosen by the student, based on the student's interest and High School and Beyond Plan. PPR could be an extra credit of Art, two credits of World Language, one credit of CTE, or credits in another subject area focused in the student's area of interest.

WHS Dual Credit, College in the H.S., & AP Course Options

Below is a list of Dual Credit, College in the High School, and AP Classes available at Woodinville High School. Students are required to complete any two of these classes, unless an alternate course of study is identified in their High School and Beyond Plan.

Dual Credit:	College in the High School:
Advanced BioTechnology	Elementary French (FR 350)
Intro to Marketing	Elementary Spanish (SP 350)
Advanced Marketing	First Year Japanese (JPN 350)
ASL 100, 200	Introduction to Global Studies
Finance	ASL 100, 200, 300
Business Law	
Retail Operations	
Health Science Careers	
CAD	
Microsoft Applications/Office Cert	
Welding & Fabrication	
Intro to Computer Science	
AP Computer Science	
Adv. Programming Topics	
Web Design	
AP Classes:	
AP Art History	AP Human Geography
AP Biology	AP Music Theory
AP Calculus AB	AP Physics 1
AP Calculus BC	AP Physics 2
AP Chemistry	AP Psychology
AP Computer Science	AP Seminar
AP Economics	AP Spanish 400
AP English Language	AP Statistics
AP English Literature	AP Studio Art
AP Environmental Science	AP Studio Art 2D
AP European History	AP US Government-Politics
AP French 400	AP US History
AP German 400	AP World History
AP Japanese	

ACADEMIC ACCELERATION AUTO-ENROLLMENT NOTIFICATION

Dear Northshore Family:

Per RCW 28A.320.195, the Northshore School District has adopted Academic Acceleration Policy 2195. Students who meet or exceed standard on the English, mathematics or science state assessments or who successfully complete an advanced course must be automatically enrolled in the next most rigorous course. Specifically:

- Any student who meets or exceeds the state standard on the 8th grade or 10th grade English or math state assessment must be automatically enrolled in the next most rigorous English or math course offered by the high school that aligns with the student's high school and beyond plan.
- Any student who meets or exceeds the state standard on the 8th grade or 10th grade English state assessment are eligible for enrollment in advanced courses in social studies and humanities.
- Any student who meets or exceeds the state standard on the 8th or 11th grade Washington Comprehensive Assessment of Science are eligible for enrollment in advanced courses in science.
- Students who successfully complete an advanced course in English, math, science or social studies are then enrolled in the next most rigorous level of advanced course with the objective that students will eventually be automatically enrolled in courses that offer the opportunity to earn dual credit for high school and college.

Additionally,

- As a parent or guardian of a high school student, you may choose to opt your student out of an advanced or dual credit course and enroll your student in an alternative course or program that aligns with the student's high school and beyond plan.
- If you have any questions, please contact your student's school counselor.

Students referenced above are automatically enrolled in the next most rigorous advanced or dual credit course. If you would like to have your student:

- **automatically enrolled** in an advanced or dual credit course, you do not need to take any further action.
- **opted out of the automatic enrollment**, please indicate your preference below by marking the box for each course you would like to opt out of the automatic enrollment process, and return the form to your student's counselor.

English	Mathematics	Social Studies	Science
☐ **Opt OUT of automatic acceleration in English**	☐ **Opt OUT of automatic acceleration in Mathematics**	☐ **Opt OUT of automatic acceleration in Social Studies**	☐ **Opt OUT of automatic acceleration in Science**

_____   _____   _____
Student Name (please print)   Parent/Guardian Signature   Date

WHS Online Course Registration Instructions

Before Starting—Please clearly write your Last name, First name, and ID Number on top of your Paper Registration Worksheet.
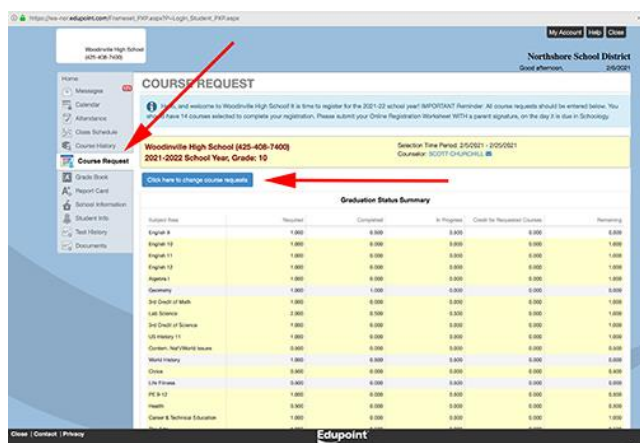

To get Started: Students must log in to their **StudentVUE** account at:

https://wa-nor-psv.edupoint.com/PXP2_Login_Student.aspx?regenerateSessionId=True

➢ Enter your:

      A. User Name = Student #

      B. Password

➢ **Step 1:** Click on *"Course Request"* located on the left-hand side of the screen

➢ **Step 2:** <u>**To Add a Course,**</u> click on the *"Click here to change course requests"* blue icon

➢ **Step 3:** Search by the <u>**Course ID**</u> (NOT Course Title)
- Students will refer to their **REGISTRATION WORKSHEET** to find the **Course ID**. Enter the Course ID for the class you wish to add. *i.e. MGE100A & MGE100B.*
- *Students do not need to use caps, but they DO need to include A and/or B for each semester of a yearlong class. For a single semester class the course code will not include A or B*

    A. Start by entering the corresponding ID in the Course ID box
        (i.e. Course ID MGE100 will give you both the A and B option for GEOMETRY)

    B. After typing in the Course ID, you can press the return/enter key on your keyboard to search.

    C. <u>**Select all 14 course** *requests by choosing (Add Request)*</u>
- You will be able to remove a course, if necessary. You must remove both the A/B entries for yearlong classes.

Step 4: Once all **14** requests are added, then select your Alternates by choosing (*Add Alternate*)

➢ *Click on the* | Click here to return to course request summary | *to double check you have selected all*
14 requests
along with Alternates.

Step 5: **When you are done (double check your requests)**

➢ **You can close the window and it will save your work.**
➢ *A Registration EXAMPLE is below:*

Click here to return to course request summary

Selected Course Requests

Action		Ln	Course ID	Course Title	Elective	Credit	Comment
▸	Remove	1	APH100	PHOTOGRAPHY	Yes	0.500	
▸	Remove	2	DRA135	INTRODUCTION TO THEATRE	Yes	0.500
