## Graduation Pathway Descriptions

All high school students must meet English Language Arts (ELA) **AND** Math standards through a graduation pathway that aligns with their post-high school plan. There are three graduation pathways: **General Postsecondary Education**, **Career/Technical Field**, and **Military Career Interest**. This document was created to educate students and families on the different options to meet ELA and Math standards as it aligns to the student's graduation pathway. The information in this document contains the typical ways WHS students meet the graduation pathways. For additional information on pathways, visit [sbe.wa.gov/our-work/graduation-pathway-options](http://sbe.wa.gov/our-work/graduation-pathway-options).

### General Postsecondary Education Pathway

Students who are interested in attending college after high school have multiple options to meet the General Postsecondary Education pathway. These options can be mixed to fulfill the ELA and Math standards.

Options	ELA Standard Criteria	Math Standard Criteria
<b>SBAC*</b>	ELA Score of 2548+	Math Score of 2595+
<b>ACT</b>	ELA Score of 14+ (must include ACT essay)	Math Score of 16+
<b>SAT</b>	ELA Score of 410+	Math Score of 430+
<b>Advanced Placement (AP)</b>	Exam Score of 3+ <b>or</b> grade of C+ or higher in <b>ONE</b> of the following: <ul style="list-style-type: none"> <li>● AP English Language</li> <li>● AP English Literature</li> <li>● AP Macroeconomics</li> <li>● AP Microeconomics</li> <li>● AP Psychology</li> <li>● AP US History</li> <li>● AP World History</li> <li>● AP Gov/Pol</li> </ul>	Exam Score of 3+ <b>or</b> grade of C+ or higher in <b>ONE</b> of the following: <ul style="list-style-type: none"> <li>● AP Statistics</li> <li>● AP Comp Sci A</li> <li>● AP Comp Sci Principles</li> <li>● AP Calculus</li> </ul>
<b>Dual Credit (Running Start or College in the High School)</b>	Earned 1.0 high school credit in English course	Earned 1.0 high school credit in Math course

*\*SBAC is required for all 10th graders and is offered to 11th and 12th graders to meet the general postsecondary education pathway. SBAC scores may also be used for college course placement at the 34 Washington community and technical colleges. We advise students and families to research how the SBAC can be used for course placement at other prospective colleges and universities.*

### **Career/Technical Field Pathway**

Students who are planning to pursue Career/Technical Education after high school must pass 2.0 credits within one CTE Course Sequence. Students do not need to meet ELA and Math standards separately for this pathway. Please verify your CTE courses with your school counselor if you do not see your course(s) below.

<b>CTE Course Sequence</b>	<b>CTE Course Options</b> <i>* denotes semester-long (0.5 credit) courses</i>

<b>Many WANIC courses will meet a CTE Course Sequence. Please confirm with your school counselor.</b>	

### **Military Career Interest Pathway**

Students who are interested in a military career must score 31 or higher on the ASVAB to meet this pathway. Students do not need to meet ELA and Math standards separately for this pathway. Reach out to your counselor if you are interested in taking the ASVAB.

- Any student who meets or exceeds the state standard on the 8<sup>th</sup> grade or 10<sup>th</sup> grade English state assessment are eligible for enrollment in advanced courses in social studies and humanities.
- Any student who meets or exceeds the state standard on the 8<sup>th</sup> or 11<sup>th</sup> grade Washington Comprehensive Assessment of Science are eligible for enrollment in advanced courses in science.
- Students who successfully complete an advanced course in English, math, science or social studies are then enrolled in the next most rigorous level of advanced course with the objective that students will eventually be automatically enrolled in courses that offer the opportunity to earn dual credit for high school and college.

Additionally,

- As a parent or guardian of a high school student, you may choose to opt your student out of an advanced or dual credit course and enroll your student in an alternative course or program that aligns with the student's high school and beyond plan.
- If you have any questions, please contact your student's school counselor.

Students referenced above are automatically enrolled in the next most rigorous advanced or dual credit course. If you would like to have your student:

- **automatically enrolled** in an advanced or dual credit course, you do not need to take any further action.
- **opted out of the automatic enrollment**, please indicate your preference below by marking the box for each course you would like to opt out of the automatic enrollment process, and return the form to your student's counselor.

**Before Starting—Please clearly write your Last name, First name, and ID Number on top of your Paper Registration Worksheet.**

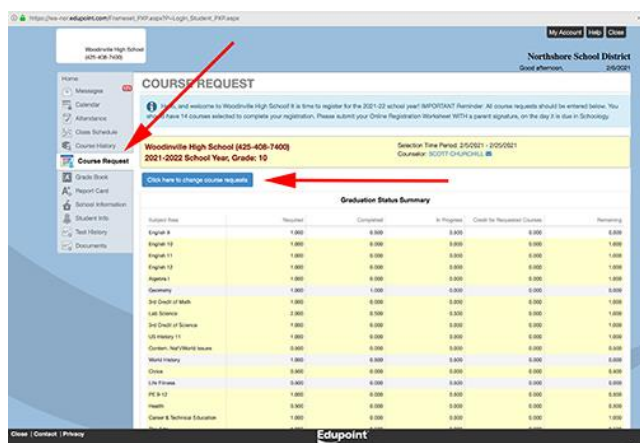

**To get Started:** Students must log in to their StudentVUE account at:

[https://wa-nor-psv.edupoint.com/PXP2\\_Login\\_Student.aspx?regenerateSessionId=True](https://wa-nor-psv.edupoint.com/PXP2_Login_Student.aspx?regenerateSessionId=True)

➤ Enter your:

- A. User Name = Student #
- B. Password

➤ **Step 1:** Click on “Course Request” located on the left-hand side of the screen

➤ **Step 2:** To Add a Course, click on the “Click here to change course requests” blue icon

Click here to change course requests

➤ **Step 3:** Search by the Course ID (NOT Course Title)

- Students will refer to their **REGISTRATION WORKSHEET** to find the **Course ID**. Enter the Course ID for the class you wish to add. *i.e. MGE100A & MGE100B.*
- *Students do not need to use caps, but they DO need to include A and/or B for each semester of a yearlong class. For a single semester class the course code will not include A or B*

- A. Start by entering the corresponding ID in the Course ID box  
(i.e. Course ID MGE100 will give you both the A and B option for GEOMETRY)
