WHEREAS, the U.S. Secret Service National Threat Assessment Center emphasizes the importance of appropriate storage of firearms because 76 percent of school shooters use firearms acquired from the homes of parents or close relatives; and

WHEREAS, across the country, lawmakers, community members, and local leaders are working together to implement public awareness campaigns, such as the Be SMART program that is being introduced in Albemarle County Public Schools ("ACPS") this month, which is endorsed by the National PTA, and which encourages secure gun storage practices and highlights the public safety risks of unsecured guns; and

WHEREAS, school districts across the country have begun proactively to send materials home to parents and guardians informing them of applicable firearm storage laws and firearm secure storage best practices; and

WHEREAS, keeping students, teachers, and staff safe from gun accidents and gun violence should be the responsibility of all adult stakeholders at each of our school sites; and

WHEREAS, Virginia law requires adults to securely store their firearms to prevent a child from having unauthorized access to a firearm; and

WHEREAS, in order to continue with preventative measures to increase student and school safety we must act now.

NOW, THEREFORE, BE IT RESOLVED, that the Albemarle County School Board directs the Superintendent and Members of the Superintendent's Cabinet to take such actions as are necessary to increase awareness among ACPS students, families, and staff about the importance of secure gun storage, the legal requirements of parents and guardians to securely store their firearms, and the best practice of keeping all guns unloaded, locked up, and stored separately from ammunition; and

BE IT FURTHER RESOLVED, that the Albemarle County School Board directs the Superintendent to create an appropriate letter, in English and other languages spoken by ACPS families and staff, to parents and guardians that explains the importance of secure gun storage in preventing minors from accessing guns, the legal requirements of parents and guardians to securely store their firearms, and the best practice of keeping all guns unloaded, locked up, and stored separately from ammunition, which letter shall also be included in annual registration materials at each school site.

FINALLY, BE IT RESOLVED, on this 8th day of February 2024, that the Albemarle County School Board and the Superintendent will continue to work with local law enforcement agencies, health agencies, and non-profits to collaborate and increase efforts to inform ACPS families of their obligations regarding secure storage of firearms in their homes.
