COMMUNITY COLLEGE TRANSFER PROGRAMS

UC Transfer Admission's Guarantee (TAG)

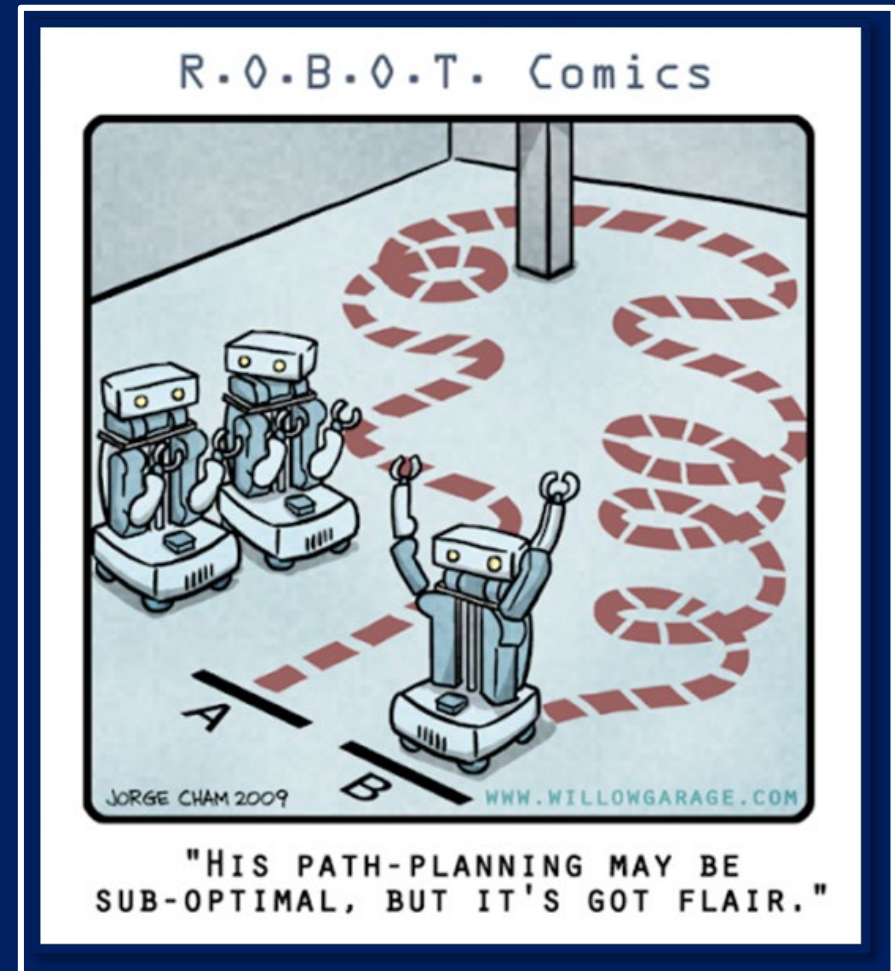

- 6 of the 9 undergraduate UCs participate in TAG. (UCLA, UCB, and UCSD do not)
- Students must meet specific requirements (GPA/coursework) to reserve a seat in ONE major on ONE UC campus a year in advance.
- On some campuses, certain majors are excluded.

CSU Associate Degree for Transfer (ADT)

- OCC currently offers 28 different ADT's.
- An ADT guarantees an eligible student:
 - a seat in the CSU system (not at a specific school) for a matching major;
 - priority admission consideration; and
 - no more than 60 units to finish the BA/BS degree post-transfer
- You can consult the CSU ADT Major & Campus Search webpage for a comprehensive list of matching majors between OCC and CSU campuses.

HOW LONG WILL IT TAKE TO TRANSFER?

- For many majors, two-year transfer is possible for students who attend full time, stick to one major, and earn the necessary GPA.
- Some majors (particularly STEM majors) often require longer.
- Important considerations include:
 - Desired major and school(s)
 - Incoming math placement
 - AP and IB exam credit
 - Units completed each semester
 - Participation in Summer and Intersession terms
 - Whether or not student changes major
