### Enrollment Authorization

The Account Holder named above is establishing this health savings account (HSA) exclusively for the purpose of paying or reimbursing qualified medical expenses of the account holder, his or her spouse, and dependents. The account holder represents that, unless this account is used solely to make rollover contributions, he or she is eligible to contribute to this HSA; specifically, that he or she: (1) is covered under a high deductible health plan (HDHP); (2) is not also covered by any other health plan that is not an HDHP (with certain exceptions for plans providing preventive care and limited types of permitted insurance and permitted coverage);(3) is not entitled to benefits under Medicare (generally, has not reached age 65); and (4) cannot be claimed as a dependent on another person's tax return.

Additionally, I agree:

- To be eligible I cannot also be enrolled in another health plan that would disqualify an HSA contribution.
- My employer and employee contributions cannot exceed the IRS maximum per calendar year.
- I understand that I am required to supply Further with my email address for purposes of establishing an HSA account.
