

February 6, 2024

Dear Shady Grove Families,

In an effort to reduce the number of cars on Cornatzer Road during arrival and dismissal times the 2nd-5th Grade car rider line at Shady Grove will follow a new traffic pattern. Please see the graphic below which indicates the change that will go in effect Wednesday, February 14, 2024.

Several school and district staff members will be present assisting with the flow of traffic until it becomes routine. Please be patient as we navigate and work through this change.

Thank you for your attention to this matter.

Sincerely,
Sarah Burns
Principal, Shady Grove
