2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

School Profile

North Star Academy offers an educational experience where students demonstrate critical, logical, and creative thinking skills throughout the core curriculum, and use emerging technologies as tools in all areas of the curriculum to solve problems, to think critically, to express their creativity, and to communicate effectively. North Star Academy allows students a compacted curriculum approach to mastering the core curriculum so that they can move ahead at their own pace and have more time during the school day to pursue a deeper understanding of the curriculum and pursue enriching activities. Enrichment activities at North Star reflect the diverse interests and passions of teachers and students, including field trips, a robust performing arts program, multimedia presentations, engineering, chess, robotics, computer programming, comic book making, science fiction studies, visual arts, after school sports, and independent study. The program focuses on the combination of creativity, task commitment, and high academic rigor, to support students in developing to their fullest potential. The pace of responsive instruction, the depth and complexity of the grade level curriculum, the types of assignments, and the range of experiences provide a learning atmosphere that promotes excellence. All students are expected to demonstrate personal growth through the development of self-discipline, leadership skills, community involvement, and character growth.

North Star Academy students thrive because the staff nurtures our students' social and emotional needs, in addition to their academic desires. Our very engaged and supportive parent community provides volunteer support in and out of the classroom, as well as before and after school.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.40	2.20
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.40	2.20

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.40	0.00
Local Assignment Options	2.80	1.90
Total Out-of-Field Teachers	3.20	1.90

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	33.3
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All Redwood City School District students have equal access to state adopted, standards aligned textbooks and instructional materials. Funds are appropriated according to the textbook adoption cycle.

Pursuant to the settlement of Williams vs. the State of California, Redwood City School District thoroughly inspected each of its school sites at the start of the 2023-2024 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in the four core subject areas: English language arts, mathematics, history/social studies and science), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the District must be aligned with the California State Content Standards and Frameworks, with final approval by the State Board of Education.

The Redwood City School District Textbook selection is done by a District, grade level and subject area committees coordinated by Executive Directors of Educational Services. The final textbook selections for grades TK-8 from the current approved State lists are then selected and the recommendation goes before the School Board for final approval.

School Facility Conditions and Planned Improvements

North Star Academy was originally constructed in the 1950s and is currently comprised of 19 classrooms, one computer lab, one library, one gym, one multipurpose room, one staff lounge, a playground, and an athletic field. The following chart displays the results of the most recent school facilities inspection.

The school was completely modernized in 1998, and further renovated in 2002 as the result of two separate bond projects (Measures A & B). Measure A renovations were completed by August 2001 and included renovation of the administrative support area. Measure B projects have been completed at variable times and have included/will include: installation of energy-efficient lighting in all buildings, and new lighting in the auditorium; remodel of the kitchen; construction of a 6,500 square foot multi-purpose room, and a maintenance and storage building; replacement of window coverings, the sidewalk in front of the library, areas behind playfield backstops, fencing, and the auditorium stage floor; rebuilding of the play field and drainage system along the field; resurfacing of the playground areas and parking lot; fresh painting on all buildings; and campus-wide American Disabilities Act (ADA) improvements.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	95	95	33	35	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents play a significant role in fund raising and supporting various programs at North Star Academy through active participation and involvement in the School Site Council, Parent Club, Art in Action, SEL, Dad's Club, Theater productions, and other community building/family fun events. School Newsletters and a Morning Message Video are sent on Monday and Thursday mornings to communicate opportunities for parent involvement.

Parents and community members are encouraged to participate in school-sponsored committees and activities as well as volunteer in classrooms. We also have daily volunteers at lunch and recess and during field trip experiences.

Parents who wish to participate in North Star's school committees, school activities, or become a volunteer may contact the school at (650) 482-2411, or visit the school's website at <https://northstar.rcsdk8.net>. Parents are also encouraged to visit the Parent Club's website at www.northstarparentclub.com. You can also follow North Star Parents Club on Facebook.

2023-24 School Safety Plan

The School Site Safety plan is evaluated and revised annually in the winter/ spring by staff, parents, and administrators. Revisions to the Safety Plan are communicated to all staff members annually. Key elements of the Safety Plan include Safety procedures in the event of emergencies, earthquakes, fires, Lock Down (classes have emergency backpacks and emergency supplies are stored in a connex box on campus and in the classrooms). The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during an emergency. Fire drills are held once a month, an earthquake drill is held once a year, and lockdown drills are held twice a year.

Safety of students and staff is a primary concern of North Star School. To ensure student safety, supervision is provided on campus at all times. Teachers and Administrators supervise students before and after school and during recess. Paid yard duty supervise students at recess and lunch. All visitors to the school must sign in and out at the office, and must have prior authorization for classroom visits.

Professional Development

2023-2024

The focus for our districtwide Professional Development for this year is training staff on adopted new Math curriculum of Illustrative Math for K-5, new reading initiative based on Science of Reading and working with California Reading and Literacy Project and assessments for all TK-5th as well as the new Supplemental English Learning Development Curriculum from Language Power for K-8. In addition, the middle school professional development is focused on Universal Design for Learning (UDL). All TK-8 teachers participated in professional development in Student Goal-Setting Conferences, which took place in October.

We continue to build our RCSD Student Learner profile, with the addition of "creative communicators" to the profile, which began in 2021-22. This school year's focus for Empowered Learner is Universal Design for Learning (UDL). STEAM professional development continues to build a focus on creating next generation innovators through our STEAM initiative and collaboration with Stanford.

District staff and administrators continue to have monthly meetings to align the RCSD Student Learner Profile with our district commitment to the implementation of the Multi-Tiered System of Support (MTSS) through trainings focused on inclusive practices, welcoming environments, and establishing an equity stance. MTSS focus is create alignment for Tier 1 practices as well as Tier 2 interventions. District Teachers on Special Assignment (TOSAs) collaborate with administrators and district instructional coaches to support the MTTSS work. MTSS TOSAs continue to work at the site level with administration and staff to strengthen lesson planning to address Tier 1 practices.

Professional Development

In addition to this MTSS and Student Learner profile work, District TOSAs work 1-1 and with grade level teacher teams to strengthen lesson planning in each subject area that is inclusive of all students, including those with special needs and those who are multilingual learners. Encouraging students to make their thinking visible and construct knowledge together in small groups is a focus of many of these coaching sessions.

2022-23

The focus for our districtwide Professional Development continues to be the RCSD "Student Learner" profile, with the addition of "creative communicators" to the profile begun in 2021-22. District staff had the opportunity for trainings in August that aligned the RCSD Student Learner Profile with our district commitment to the implementation of the Multi-Tiered System of Support (MTSS) through trainings focused on inclusive practices, welcoming environments, and establishing an equity stance. The alignment of the Learner Profile with engaging, inclusive instructional practices was the focus of the January Professional Development Day, and is supported by the districts' Teachers on Special Assignment (TOSAs) in their 1-1 and small group work with district teachers.

In addition to this MTSS and Student Learner profile work, District TOSAs work 1-1 and with grade level teacher teams to strengthen lesson planning in each subject area that is inclusive of all students, including those with special needs and those who are multilingual learners. Encouraging students to make their thinking visible and construct knowledge together in small groups is a focus of many of these coaching sessions.

2021-22

The focus for districtwide Professional Development (PD) has been the connection of teaching strategies to our evolving "Student Learner" profile: Students as knowledge constructors, effective communicators, and empowered learners. Three days of PD were offered to all teachers prior to the beginning of the school year, and each topic was explicitly linked to one of these attributes.

In addition, with close to 95% of our students returning to in-person instruction, the social emotional health and wellbeing of our students, staff and community have been a focus in engaging outside resources for training and workshops.

The development of teacher leadership is highlighted this year through "Lead Learner" structures, bringing together teachers from across the district to delve deeply into subject areas with an equity lens.

Underlying and fortifying all of this work continues to be our commitment to equitable practices and our systemic approach to analyzing our current system for biases and inequities. This work is currently being undertaken by the Multi Tiered Systems of Support (MTSS) District Leadership Team (DLT).
