Welcome to Epps Island Elementary!

I joined the Klein Family as a Dean of Instruction at Kaiser Elementary and have been in education since 2006. I am a relationship-driven leader who believes in taking care of people and working together for the greater good of our students. I care deeply about building strong partnerships and creating a family environment among our students, staff, and families. By working together and focusing on student achievement, I know that we will provide excellent learning experiences for every student in our care. I am grateful for your partnership and support as we develop the promise of our Epps Island Tigers.

Tigers are saying...

Epps Island has created so many wonderful memories with my older children as well as with my child who is currently there. The school has the best teachers and staff personnel.

PARENT

What makes Epps Island so special is the KIDS. Their eagerness to learn, their love and affection for their teachers and their motivation to achieve their goals drives the teachers on this campus to roll up their sleeves and put in the work necessary for their kids to be successful.

TEACHER

Epps Island feels like my second home, because every day I am here in this amazing beautiful school. My teachers are wonderful because they teach me very well, they are loving and caring.

5TH GRADER

PROGRAM HIGHLIGHT

Epps Island is a Visible Learning campus, utilizing John Hattie's research to offer high-impact learning opportunities for our Tigers.

Epps Island also works to offer personalized learning experiences through small group instruction and opportunities for students to collaborate during learning stations.

Epps Island participates yearly in the Klein ISD Innovation challenge which gives students the opportunity to collaborate with peers to solve real-world problems.

We utilize PBIS (Positive Behavior Interventions and Supports) to improve school safety and promote positive behavior.

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
