Principal's Message

Congratulations to the Centaurus girls swimming and diving team, on both their league championship and 5th place finish at the 4A state championships! This is tied for the highest team finish at state in Centaurus history. This team was phenomenal all season, and really finished strong this year. We are all very proud of every member of this team.

In addition, Head Coach Cort Sharp was recognized as the 4A Coach of the Year for the state of Colorado! This is a great honor, and a well deserved recognition of all that he has done for this team.

Daniel Ryan
Principal

Parent/Teacher Conferences

Centaurus parent teacher conferences will be held virtually on Wednesday, February 7th and Thursday, February 15. Invitations were sent out on February 1st. These invites were sent to the contact email address you have listed in IC (infinite campus).

If you are satisfied with your students' progress in class, feel well informed and don't have any questions, please know that you are not required to sign up for a conference. These conferences really are for parents and teachers to discuss students who need additional support in the class, or if you have specific issues or questions that you want to address. Also, if you just have a quick question for a teacher, please feel free to send them an email directly.

CHS Booster Club

Join us on Valentine's Day, Wednesday, February 14th for Senior Night at the home basketball games. The varsity basketball parents, with the help of the Centaurus Warriors Booster Club, will be giving out free donuts to the first 200 Centaurus fans. They have also arranged for everyone who attends the games to get a "Buy One, Get One Free Coupon" from Menchies in Lafayette for that evening. Menchies will be staying open until 11 pm to make sure everyone gets a chance to join in the celebration. Please come and support your classmates as they wrap up their senior season and play their final home games.

Staff Appreciation Committee

Parent/Teacher Conferences

CHS families, we need your help! We would like to serve dinner to our teachers and staff for Parent/Teacher conferences on Thursday, February 15th. We are coordinating a grain bowl bar, desserts, and drinks. If you can help with food or your time, please sign up here:

If you would like to donate so we can purchase your items for you, please use this link: <https://bvsd.revtrak.net/high-schools/ceh/Optional-Fees-2023-2024/#/v/ceh-teacher-and-staff-appreciation-fund>

We Need Volunteers

Are you looking to be involved at Centaurus but don't have much time? Consider The Staff Appreciation committee! This group has the best of both worlds with a minimal time commitment AND a very high impact! We are looking for volunteers to help with planning events that show CHS Warrior Family appreciation for our teachers and staff throughout the year, including meals during conferences and staff appreciation week in May. We're open to new ideas and new members who can commit to some virtual planning meetings and/or occasional attendance at appreciation events! Please contact Traci Kirk on the committee at tracikirk1@gmail.com if you are interested.

Centaurus Orchestra

Come out to support Centaurus Orchestras!

*Concert on February 13th, 7 pm. Come join us for a night of amazing music. No tickets required, but donations accepted.

*Panda Express Fundraiser on February 15th. CORRECTION: This is an online fundraiser only! Please go to Panda Express online at <https://www.pandaexpress.com/> or use the Panda Express App. Simply put in the code 919248 to support CHS Orchestras!

National Stem Challenge Champion

Jack Albenberg was chosen as a Champion for the National STEM Challenge for his work on NFC tags: A path to the future.

He programmed a NFC reader to run a function that can do things such as toggle lights, call someone, buzz keys, and much more. These applications can help with everyday tasks, or even help in case of an emergency by calling emergency services, with just a tap. Jack wants to help people who have trouble working on a small phone screen and have difficulty doing tasks such as making calls, turning on lights, or finding their keys.

Jack wins a trip to the National STEM Festival in Washington D.C. in April 2024. There he will showcase his projects to some of our nation's most influential leaders. The Festival is co-presented by the U.S. Department of Education and [EXPLR](#)
