## February 2, 2024

### Cavalettes Friends and Family Night

As a Catholic high school, John Carroll forms young people who are inspired by a passion for learning and seek to lead lives of significance in service to God and others.

**LEARN | LEAD | SERVE**

Dear Students & Families,

As we continue our journey through this year, I want to remind us of the shared vision of creating a transformational experience for every student who walks through our doors.

The heart of this vision lies in our commitment to fostering an environment where high levels of student engagement are encouraged and seen as essential to the learning process. This goal is ambitious, requiring the collective effort of our dedicated faculty and the active participation of our students. Together, we have the power to shape an educational experience that is not only enriching but truly transformative.

To our students, I urge you to seize every opportunity to engage with your learning, teachers, and peers.

To our families, your support and encouragement play a critical role in sustaining our students' motivation and engagement.

We are partners in this endeavor, and your involvement is invaluable to our collective success.

Thank you for your ongoing support and dedication to our school's vision.

God Bless & Go Cavs!  
Ronald Steele, Principal
