Fall 2023

A MESSAGE FROM THE SUPERINTENDENT . . .

It is hard to believe that the first grading period is over, but we are well on our way into the second quarter of the school year and the holidays are here. Congratulations to the Tri-Valley Marching Band on qualifying for state competition for the 41st. consecutive year. Additionally, congratulations to our Boys Football Team who won the MVL championship.

The start of the school year was very smooth this year, even though there has certainly been a lot of activity. The Nashport building project is moving along nicely and the additional lanes to accommodate pick-up and drop-off's without blocking Creamery Road have been a resounding success. The addition is fully under roof and the contractors will now be able to work through the winter months to complete the project.

It is that time of year to begin preparations for inclement weather days. Parents are encouraged to sign up for text/email notifications on our district website for the most up to date cancellation information. I would like to welcome our two newly elected school board members, Mrs. Betsy Brocklehurst and Mr. Steve Barr, who will join the Board of Education in January. I also would like to extend a heartfelt thank you to Mr. Scott Welker and Mrs. Susie Cameron for their service to the school district. Mr. Scott Ford will also be returning for his second term on the board beginning in January as well.

As Tri-Valley School Superintendent for the last sixteen years, a resident of the district, and a parent; I am very proud of our school district. I encourage all community members to feel free to reach out to us with any questions or suggestions. School Board meetings are held on the second Thursday of each month at the district office directly across from the bus garage. Go Dawgs!

Mark K. Neal

Mark K. Neal, Superintendent
Tri-Valley Local Schools

THANK YOU FOR YOUR SERVICE

We would like to thank our outgoing board members for their years of service to the Tri-Valley Local School District. Tri-Valley Board of Education members, Mrs. Susie Cameron and Mr. Scott Welker will be completing their terms on December 31, 2023. Mrs. Cameron has served the district for four years, and Mr. Welker has served for 10 years. We deeply appreciate their commitment to student education and community involvement.

CONGRATULATIONS

2023 EDUCATOR AND SUPPORT STAFF OF THE YEAR

TEACHER OF THE YEAR DICKIE BARRICK

**3RD GRADE TEACHER
DRESDEN ELEMENTARY
SCHOOL**

Mrs. Dickie Barrick is an exceptional teacher! Her quiet, soft-spoken demeanor makes her students feel welcome and safe in her care. Her daily dedication to her students is shown in many ways including: offering many hands-on activities, grouping students to meet their individual needs, working hard to really listen and build a bond with her students and families and holding high expectations for her students.

She knows her kids and is always adjusting to make sure that she remediates or challenges as needed. Often working with students who struggle, state testing results reflect significant progress of her struggling students.

She has been mentoring teachers, both formally and informally, for years. She is a team player and is willing to share the load with her grade-level companions. Mrs. Barrick is a great role model for both her students and her colleagues, and upholds the standards of a teacher. She has the qualities that you would want your child's teacher to have and she just keeps giving.

SUPPORT PERSON OF THE YEAR SUE DYE

**SPECIAL EDUCATION
ASSISTANT
DRESDEN ELEMENTARY
SCHOOL**

Mrs. Sue Dye wears many hats and juggles her schedule very well! She goes above and beyond her daily duties and is extremely dedicated to the students. She is always on the move helping multiple students at any given time. She helps in the office and is a huge asset to the building.

She builds a strong rapport with all students she works with and always has a smile on her face. She loves on our students, gives them encouragement, and produces amazing results with behaviors and learning. In addition to working with some of our struggling students, Mrs. Dye is also called upon to help take care of some of our students with medical challenges.

Mrs. Dye monitors diabetics, helps with medication needs and restroom problems, and still rotates around classrooms to help with students needing extra academic help. She goes above and beyond on any given day.

WELCOME

Students who completed a full BINGO Board were entered into a drawing to win one of several prizes sponsored by the Adamsville PTO.

Winners:

Coen Patterson - \$50 Book Fair Gift Card
Cohen Prouty - \$50 Book Fair Gift Card
Coy Vernon- Wireless Speaker
Jaylee Ault - Wireless Speaker
Ellie Briggs - Game Night Gift Basket
Jaxon Tackett - Game Night Gift Basket
Garrison Matthews - GRAND PRIZE - Hoverboard

FAMILY VISITS!

Students show pride in having family visit them at school. They love to share with them their school environment and daily activities. Grandparents Day and Pastries with my Peeps were held at all four of our elementary schools this fall allowing students to enjoy time and danishes with loved ones.

MOVIE NIGHT

Adamsville and Dresden Elementary PTO's sponsored and hosted family movie nights at their buildings. Adamsville Elementary showed the Spiderwick Chronicles and Dresden showed The Super Mario Bros Movie. PTO popped popcorn and had other concessions where the movies were projected outdoors. Families brought chairs and/or blankets to relax during the movie.

4TH GRADE VISITED SECREST AUDITORIUM

Tri-Valley 4th graders attended a performance by Sir Franc D'Ambrosio, Cavaliere O.S.I. 'Back to Broadway' at Secrest Auditorium on Monday, October 2nd. He originally performed his show accompanied by World Class Concert Pianist, Ryan Shirar on Sunday and stayed to perform his show a second time to the elementary school audience. D'Ambrosio stated he is driven to do this for the children in the county because he has a large passion to share the love and the magic of theater and he enjoys giving back. He hopes to inspire fourth graders to consider theater and music as a career.

LYND FRUIT FARM

Nashport 1st graders visited Lynd Fruit Farm, Pataskala in September. They took a wagon ride to the learning center and saw honeybees close-up, sampled apple cider, learned the history of the farm, and talked to Mr. Lynd himself on the apple sorting line. The highlight of the day was picking their own bag of apples!

5TH GRADE CAMP OHIO

All Tri-Valley 5th graders headed into the hills of 4-H Camp Ohio this October for a day of outdoor education and recreation. The students, parent volunteers, and the staff enjoyed the long, fun day. Students enjoyed zip lining, fishing, navigate a team challenge course, hike to the cabin for pioneering, make a meal over a campfire, and Fly like a Squirrel. Camp Staff provided everyone with two delicious family-style meals in the dining hall. Students enjoyed a little recreational time playing basketball, gaga ball, volleyball, 9 Square in the Sky, and a horizontal climbing wall. Then, the day was wrapped up around a campfire with staff entertaining the kids with some songs and skits. Thank you to all who volunteered and helped make another year of camp a success. Also, THANK YOU to the Tri-Valley school board and administration for allowing the kids to get the chance to participate in the camp.

AIM OUTREACH

Jason and Anne Watson opened the private non-profit Aim Outreach in 2016 and has operated very successfully at the Frazesburg location. Opportunity arose for an additional location in Dresden last winter when the Watson's paired with Pastor, Dan Well of Dresden United Methodist Church. A new Aim Outlook location has been established on Main Street in Dresden next to the church at the old train station.

Tri-Valley Dresden Elementary students held a food drive in support of the new Aim Outreach location in Dresden this fall and the Junior Honor Society stocked the shelves at the new Dresden location.

MCDONALD'S GREENHOUSE & CORN MAZE FUNHOT CHOCOLATE!

Students had a great time visiting McDonalds Greenhouse and Corn Maze this fall! Their favorite things were the jumping pad, hay wagon ride, animals, and getting lost in the corn maze.

The Tri-Valley LEO Club warmed the Frazeyburg community during their annual trick or treat night this Halloween by supplying hot chocolate to go along with their candy.

ART WALK

Dresden 3rd Grader, Landon Patton and Nashport 4th Grader, Bridget Stafford proudly displayed their artwork at Julie's ARtery in Downtown Zanesville's First Friday Art walk in September. Downtown Zanesville hosts an art walk the first Friday of the month to encourage community and heritage as Zanesville was once called the "Pottery Capital of the World". Both students are studying art at Julie's ARTeY.

NURSERY RHYME TIME

Nashport kindergartners held a Nursery Rhyme Parade on October 27th where students dressed up as characters from their favorite Nursery Rhyme. They sang nursery rhymes together and paraded in their costumes around the cafeteria for kindergarten families and Nashport students.

STUDENT VS STAFF

Tri-Valley Middle School Student Council hosted their annual Student vs Staff Middle School Volleyball Game fundraiser and Pep Rally during homecoming week. The staff won the first set and the second set score was tied due to dismissal time.

HOMECOMING SPIRIT WEEK

Homecoming is a week long celebration at Tri-Valley. Everyone from junior Scotties to Alumni were in the Scottie Spirit partaking in all of the events leading up to the 2023 homecoming game vs New Lexington. All six of Tri-Valley's building held spirit week in their buildings with dress up and pep rally events. The annual parade through Dresden and community pep rally at Jack Anderson Stadium was held on Wednesday, September 13th. The Scotties defeated New Lexington in a 38-8 victory on Friday the 15th before our high school students enjoyed their homecoming dance on Saturday evening.

TVMS VISITS MID-EAST CAREER CENTER

Mid-East CTC students served as tour guides and enjoyed sharing their experiences with the TVMS eighth-grade students on Wednesday, October 4th. Eighth graders were eager to learn more about the programs and opportunities offered at Mid-East CTC and were encouraged to start thinking about their future and what career pathways they may be interested in, even if they do not plan to attend Mid-East CTC. A representative from Mid-East will visit TVMS and provide classroom presentations to 7th, and 8th graders throughout the school year as well. Students will complete a career assessment to learn more about their interests and how to link those interests and strengths to career options. A core message embedded throughout these middle school activities reflects the importance of students exploring careers in diverse ways, being aware of opportunities, and preparing for their futures by developing early habits that lead to success.

FIRE PREVENTION

All six Tri-Valley buildings participated in their annual beginning of the school year fire drills. Having drills prepares students and staff by rehearsing actions and rally points in advance in case of an emergency. Tri-Valley's favorite School Resource Officer Brad Gearhart was on site at each drill helping to ensure proper protocol was followed and all alarms worked properly and notified emergency personnel. Younger elementary students participated in events that taught them how to escape home fires and fire prevention measures at their local fire departments. Thank you to all of our community fire departments and Officer Gearhart for your support!

PUMPKIN PATCH FUN!

Dresden and Frazeysburg Elementary kindergarten classes went to PV's Pumpkin Patch in October. Kindergarten students did several activities including a tractor ride, a zip line, a corn pit and a jump pad. They also walked through a corn maze and fed the farm animals. Then, they walked through the pumpkin patch to find the different parts of a pumpkin plant and everyone got to pick their own pumpkin to take home.

BOOK CHARACTER DRESS UP

Frazeysburg Elementary students and staff dressed as their favorite book characters on October 20th. It was fun for everyone to dress and play the part of characters who inspire their minds through reading.

OHIO STATEHOUSE

Nashport 4th Graders recently traveled to the Ohio Supreme Court and the Ohio Statehouse after completing a unit on the three branches of government. While at the Supreme Court, students were able to view the courtroom and participate in a mock trial. At the Ohio Statehouse, students were able to view both the senate and house chambers and explore the museum.

BUS SAFETY

It is important that students not only learn bus safety but also exercise their trainings to ensure safety. Students are trained at the beginning of each school year on safety measures to ensure students understand proper bus safety rules. The training covers everything including how to properly sit on a bus with hands inside windows, entering and exiting a bus safely, danger zones, driver hand signals, emergency evacuation of a bus, etc.

TVMS HALLOWEEN DRESS UP

Tri-Valley Middle School Student Council sponsored Halloween dress up on October 27th. One dollar was collected from students for dressing up and funds were added to the Middle School field day account.

Awards:

Best Overall - Ashton Lane
Most Creative - Ryan Griefenstine
Funniest - Maddy Emerson
Creepiest - Alivia Demattei
Best Group/Duo - Hudson Gray, Miles Shupert

TRUNK OR TREAT!

Nashport PTO hosted Trunk or Treat on October 22nd. Trunk or treat is always a fun event for Nashport! They had around 30 trunks decorated, and approximately 50 cars passing out treats! Many Nashport staff members attended and assisted in passing out candy and being the DJ for the night.

MARCHING BAND

Congratulations to the Tri-Valley Marching Band for qualifying for State Marching Band Finals for the 41st consecutive year! The Marching Scotties have had a FANTASTIC season! The show this year was entitled "Achieve Your Dreams". This show was a dedication to band alumni members from years past. At the beginning of the season, they collected over 250 pictures of alumni members achieving their dreams. There were doctors, nurses, military men and women, past and current members of The Ohio State Marching Band, families that had adopted children and more. The photos were printed on banners and proudly displayed over 6 large props on the field.

On State finals day the band was presented with a surprise video that was filled with good luck messages from band alumni, community members, and special guests including Congressman Troy Balderson and Country Music superstar Garth Brooks! The students and staff were moved by the messages from these alumni that had been in their shoes, community members showing support and complete strangers that were moved by the impact of their show. Thank you to everyone that helped to make this marching season a success!

The band competed at OMEA State Finals hosted by Hilliard Bradley on Saturday, October 28th. The band received 7 straight Superior ratings for an overall rating of Superior. The Marching Scotties have received a "Superior" at State Marching finals a total of 16 times.

MUSKINGUM UNIVERSITY YOUTHFEST

CHILD FIND - A SEARCH FOR ALL CHILDREN WITH DISABILITIES

Every school district has the responsibility of seeking out and identifying children in need of special education services. Although school-age children are identified through each building's intervention assistance team and referral process, parents of children not yet enrolled, who reside within the Tri-Valley Local Schools boundaries, may not be aware that services are available.

What does a disability mean:

For ages birth to 3: an established condition known to result in delay or a developmental delay.

For ages 3-5: a documented deficit in one or more of the following developmental areas:

communication	vision
hearing	motor skills
self-help skills	cognitive skills
social/emotional/behavioral functioning	

For ages 5-21: identification of one or more of the following conditions

- autism
- hearing impairment including deafness
- Intellectual disability
- multiple disabilities
- orthopedic impairment
- other health impairment
- emotional disturbance
- specific learning disabilities
- speech or language impairment
- traumatic brain injury
- visual impairment including blindness

If you suspect that your child may have a disability, please contact the special education director at 740-754-1442.
