## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Hogan Middle School is named in honor of Dr. James J. Hogan who had a distinguished career in the medical field and one of Vallejo's pioneer civic leaders. Dr. Hogan founded Vallejo's first city hospital and was instrumental in establishing local civic organizations: Vallejo Chamber of Commerce and the Rotary Club. Hogan Middle School is the only 6th - 8th middle school located in east Vallejo. In addition to Hogan being the only middle school, there are six feeder schools that comprise Hogan's student enrollment. Our diverse school community includes approximately 800 students; with over 34 dedicated teachers and 25 committed support staff.

Our school Mission:

To provide a quality education for our diverse student community. Our dedicated and professional teaching staff is committed to supporting our school wide instructional goals: providing our students daily opportunities to access the common core standards; utilizing the board adoptive curriculum and ensure that student excel and are challenged in their learning. Our staff continues to support and address our student social emotional needs

In addition to Hogan Middle academic programs; Hogan Middle offers various unique programming and student support systems:

\*STEAM/Robotics and Advance Robotics Classes

\*Spanish 1A and 1B classes

\*Intervention math programs: IXL

\*Band classes (beginning, Intermediate and Advance)

\*Yearbook & Leadership

School wide student Interventions:

\*Care Team/Social Emotional Learning Support

\*PBIS (Positive Behavior Intervention Supports) Committee

\*Social Emotionally Learning Committee

\*School Site Safety Committee

\*Restorative Justice

\*Full time: Teacher Leader, Psychologist, Behavior Mental Health Specialist, Academic Support Provider, Bi lingual Tutor, Parent Liaison,

\*Expanded Learning After school Program, which provides, tutorial, enrichment and recreation

## **A. Conditions of Learning** **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## 2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	1.00	1.90
Misassignments	0.80	0.80
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	<b>1.80</b>	<b>2.80</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	1.00
Local Assignment Options	1.70	2.00
<b>Total Out-of-Field Teachers</b>	<b>1.70</b>	<b>3.00</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	10	2.4
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	13.3	1.1

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks are from the most recent adoption. There are sufficient textbooks and instructional materials for each student. Supplemental materials are utilized to support student interventions and are outlined in the School Plan for Student Achievement. All textbooks are selected from the most recent list of standards-based materials by the State Board of Education (SBE). 100% of students have their own assigned textbook and instructional materials.

## School Facility Conditions and Planned Improvements

Dr. James Joseph Hogan Junior High School was built in 1954 as a junior high school; later converted into a high school in 1961 and in 2011 was converted back to a middle school. Additional portables has since been added to Hogan's campus due to increasing number of student enrollment. Due to the passage of the 1997 local school bond, Measure A, Hogan Middle School received modernization which consisted of renovation or replacement of heating, ventilation, air-conditioning and electric systems. Renovation included repairing or replacing roofs and exterior doors and windows, addressing plumbing and dry rot problems, installing new floor finishes, providing new paint, upgrading handicap access, and providing technology pathways and cabling infrastructures to all classrooms and learning facilities.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	28	28	28	27	47	46
<b>Mathematics</b> (grades 3-8 and 11)	13	14	18	17	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Our parents are valued partners and advocates for the success of our students and school programs. Parents have several opportunities to become involved at school; these opportunities are held virtually and in-person. We encourage parents to take an active role in School Site Council (SSC), English Learners Advisory Council (ELAC). We are proud of our Parent Engagement Nights; which includes Parent Education. These Parent Engagement Nights are hosted quarterly by our Academic Support Providers. In addition, parents are invited to have "Coffee with the Principal" which are held quarterly; these Parent Engagement opportunities provides the space for school information to be shared and facilitate parent workshops. We also encourage parents to volunteer their time by providing assistance with school activities which includes school field trips.

Please contact the school at (707) 556-3510 for information regarding organized opportunities for parental involvement.

## 2023-24 School Safety Plan

Safety of students and staff is a priority at Hogan Middle School (HMS). One of the District's goals addresses improved school climate so all staff can teach and all students can learn. Hogan MS holds quarterly Behavior and Academic assemblies; where clear expectations and consequences are shared to ensure all students can be accountable for our school wide agreements and expectations. To increase school safety we also have a school visitor check in and a commitment to visibility of staff on campus before and after school and between passing periods. In addition to our administrative team leads our school wide safety and positive school culture by holding our monthly PBIS meetings and facilitates our five member school site safety team that is committed to consistently ensuring all students and staff are working in a safe environment.

The Hogan Middle School Safety Plan is annually revised in November 2023, and was shared with our School Site Council in November of 2023. Each and every possible contingency has been covered with appropriate personnel understanding their roles in time of emergency. A command center has been set up for each and every possible emergency. Necessary materials have been collected and are placed appropriately.

Faculty and students participates in monthly safety drills which includes: fire, earthquake, lock down and active shooter. In addition, all faculty is briefed regarding safety issues regularly and throughout the year at staff and professional learning community meetings. Students are reminded of safety issues twice a week via the Morning Bulletin. Parents are kept abreast of all safety issues through HMS all calls, text messages and Parent Square.

## Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

All teachers are provided monthly professional development for 90 minutes per week.

There are a team of District Wide Teacher Leaders for Secondary Education that support each of the high schools, and Hogan Middle School is included in the work they are doing.

The Professional Development is a blend of site PD and District led PD; training that includes NWEA reading and math assessments, PD that supports our student engagement and literacy goals. CORE training that focuses on reading; effective vocabulary instruction across content areas.

The following topics have all been areas of focus during Wednesday meeting time at Hogan Middle School:

- Positive Behavior Intervention Supports (PBIS)/Culture/Climate
- Community Values
- Technology in the classroom
- Google Classroom
- School data: attendance, academics, discipline
- Content standards
- NWEA
- District & Site Instructional Priorities: CORE Training in Reading, Academic Vocabulary and Writing Strategies
- Learning objectives & lesson planning
- Individual teacher goals
- Common Curriculum pacing guides
- Student engagement & Social Emotional Learning
- Trauma Informed Care
- Cultural Responsive Teaching
- Equity Training
- Restorative Justice

Professional development provides teachers the opportunity to develop instructional habits that will assist in increasing student performance. Teachers will use collaboration time to reflect, review, and assess student data while developing action plans to closely monitor student data in two to three week increments--creating short term goals that lead to long term success.

This table displays the number of school days dedicated to staff development and continuous improvement.
