Re: Power of Attorney for Guardianship

After the notarized Power of Attorney for Guardianship is turned in to the school, the new guardian will be listed as the Primary Contact in Infinite Campus and will receive all information and communication regarding the student's grades, attendance, and behavior. The new guardian will also have access to Infinite Campus and the Parent Portal.

The parents listed on the birth certificate will only be listed in Infinite Campus as Non-Household contacts who may be contacted if the Primary Contact/Guardian is unable to be reached.

Sincerely,

School District 27J Open Enrollment Department
