2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Los Arboles Literacy and Technology Academy is a public Elementary school in the south section of the Franklin McKinley School District. Los Arboles serves a diverse group of approximately 200 students in grades PK - 3. 62.2% of our students are English Language Learners, 77.8% are Socio-Economically Disadvantaged, 27.45% are students with Disabilities, and 88% of our students are Hispanic/Latino, 10.2% Asian, .4% African American, 0.9% Filipino, & 0.4% White. Los Arboles is a full inclusion co-teaching program that ensures that all students with disabilities participate in the General Education setting as the least restrictive environment (LRE) and have access to inclusive high-quality programs where they are provided with individualized and appropriate support and services per the Individuals with Disabilities Education Act (IDEA). Our school also meets the needs of our English Language Learners with designated English Language Development instruction by implementing SEAL(Sobrato Early Academic Learning Program). Due to the percentage of socio-economically disadvantaged students, Los Arboles is considered a Title I School by the State of California.

The Los Arboles Staff is comprised of highly committed and equity-lensed professionals; General Education Teachers, Special Education Teachers, Paraprofessionals, a Speech and Language Pathologist, a School Psychologist, a School Social Worker, a School Linked Service Specialist, Custodians, Food service workers, Secretaries, a Librarian, and a Principal all working together to provide our students with high-quality equitable instruction. Los Arboles staff are extremely dedicated and work above and beyond the school day to meet the needs of our students by ensuring equity through the use of data analysis of student assessment data, developing effective instruction, and providing interventions for our at-risk students and our English Language Learners.

Parent and Family engagement continues to be an integral part of the success of our school and its programs. Los Arboles continues to promote our sense of community and connectedness through the communication platform Parent Square to share

2023-24 School Description and Mission Statement

our goals with families and community, the school website, regular spirit weeks, Cafecitos(parent meetings), Hispanic Heritage assemblies, Lunar New Year celebrations, Fall Family Festival, Halloween Parade, parent volunteering, Scholastic Book Fair, Winter performance, BINGO night, Movie Night, School Site Council, English Language Learner Advisory Committee, and more.

Los Arboles' Mission Statement: Los Arboles Literacy and Technology is an inclusive community of team members dedicated to holding students to high expectations and creating equitable solutions to meet the diverse needs of all students, academically, socially, and emotionally by; Creating a safe and positive school culture that celebrates and recognizes diversity while empowering student's personal growth as a whole child. We at Los Arboles believe that to meet all students' needs, and we must involve all stakeholders in building a strong culture and community with family engagement, community partnership, and collaborative leadership. We dedicate our work to providing high-quality instruction and multi-layers of support and do what it takes to provide all children with the best education possible, where they feel included and safe in our Los Arboles community as they grow socially, emotionally, and academically.

The diverse cultures at Los Arboles serve as the strength and foundation of our educational efforts. Los Arboles Literacy and Technology Academy has developed a comprehensive school plan (SPSA), which provides the school with guidance and direction. Los Arboles' five focuses include Standards and Assessment; Learning Environment; High-Performance Leadership; Community Services and Support; and Parent and Public Engagement. Los Arboles Elementary strives for effort and continuous improvement for the entire learning community and supports this goal through the programs and learning opportunities provided for students, families, and staff. The staff at Los Arboles School is dedicated to the achievement of every child and adult learner that supports the children's learning.

Los Arboles Elementary staff participate in the Sobrato Early Academic Learning Program (SEAL), a highly structured and intensive program to better prepare students with the language and academic skills necessary to succeed in the future. SEAL, a research-based academic program, supports second language learners to succeed academically. In addition to the implementation of professional development and SEAL implementation for grades K-3, Los Arboles staff members also participate in a summer institute to increase skills and strategies in working with students. Los Arboles staff believes that children must experience active learning, which focuses on information skills, gathering, analyzing, and communicating information. Rich academic language and cooperation skills to solve problems now and in their future world of work and living.

Los Arboles offers many extra-curricular programs and classes both during school and after school. High-quality academic programs and activities to enhance the overall learning experience are; Music for Minors, STEAM classroom, Little H.E.R.O.E.S. physical education, Yoga, Sensory room, CORAL after-school program, in-school and after-school intervention programs, and summer school.

FMSD Vision & Mission: Franklin-McKinley School District is a community of learners who are committed to equitable outcomes for all students and who facilitate opportunities for all students to have high aspirations and gain the knowledge, skills, and dispositions needed to thrive in a global society. The Franklin-McKinley School District will ensure all 8th-grade student graduates have the skills and knowledge to prepare for a college preparatory curriculum in high school. They will all be able to pursue a program preparing them for university or careers and lifelong learning.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Textbook and instructional Materials: The local governing board of the Franklin-McKinley School District has certified that each pupil in the District, in transitional kindergarten through eighth grade, has been provided with standards-aligned textbooks and/or instructional materials in each of the following areas: reading/language arts, mathematics, science and history/social studies. Health is included in the science curriculum. All District textbook adoptions are within the scope of the most recent State Board of Education adoptions and comply with California Education Code provisions.

In accordance with the California Education Code and the Williams Settlement mandates, procedures, monitoring processes and reporting practices by principals and District departments have ensured that all students have access to the current, standards-based textbooks and instructional materials.

In order to comply with the mandates to provide students with the most recent state-approved adoptions in the core areas of Reading/Language Arts, Mathematics, Science and History/Social Studies (Health is included in the Science curriculum), a textbook inventory was conducted at every school by September 2023. Each principal was responsible for ensuring that every student was provided with the necessary textbooks and instructional materials. In addition, the updated inventory count was also verified by each site for every classroom in September 2023. In addition, principals were responsible for the replenishment of needed textbooks at every grade level (TK-8). All ordering and delivery materials are through an established set of procedures with the District Service Center. As part of the monitoring of sufficiency of textbooks and instructional materials, principals submit a school wide and an individual classroom report to the Curriculum, Instruction, and Assessment Department annually.

As a result of the inventories, the Franklin-McKinley Board of Education certified that each student in grades TK-8, including English learners, have been furnished a complete set of core instructional materials and textbooks that meet the requirements of the California Education Code. A public hearing regarding the sufficiency of said materials that are consistent with state-adopted frameworks was held on September 12, 2023. A Resolution on Sufficiency of Materials, according to the Williams Act mandates, was passed at a public hearing on September 12, 2023.

School Facility Conditions and Planned Improvements

Los Arboles Literacy & Technology Academy has 27 classrooms, a multi-purpose room, a library, and an administration building. The main campus was built in 1970. The site has two (2) 8-hour custodians assigned to clean and disinfect daily.

In 2020 FMSD Bond Measure R was passed and will fund a variety of campus facility projects district wide. Site improvements to the facilities include campus-wide exterior painting and interior and exterior signage updates (2021), addition of ceiling projectors in all classrooms (2021), installation of security cameras at all entrances and access gates (2021), roof repairs (2021), creation four intervention rooms (one per grade level), a yoga room, a sensory room, a STEAM room, a music room, and a book room (excess books for students to take home and keep).

ESSER funds were utilized to provide additional picnic tables for outdoor learning use (2021), and a designated Wellness Center was established to ensure students are provided with psychological and counseling services and a safe, healthy, and connected school environment (2021).

Kipp Heritage Middle School Charter is on the same campus. They opened their doors for students at the beginning of the 2017/2018 school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parent and Family Involvement continues to be an integral part of the success of our school and its programs. There are many opportunities for parents to become involved with Los Arboles. Los Arboles continues to promote our sense of community and connectedness through the communication platform Parent Square and our school website to share our goals, upcoming events, and opportunities to get involved in the Los Arboles community.

- Los Arboles is actively recruiting parent volunteers to help at school. Teachers always welcome volunteers in the classroom and on field trips. Los Arboles offers parent training to assist teachers in the classrooms daily.
- The School Site Council (SSC) and English Language Advisory Council (ELAC) meet monthly to plan school programs and approve the school's budget.
- A monthly "Cafecitos/ Coffee with the Principal" meeting allows parents the opportunity to review school data, discuss current school events, plan for future events, ask questions, and share concerns.
- Parents are encouraged to get involved in; Participating regularly in spirit weeks, Hispanic Heritage assemblies, Lunar New Year celebrations, Fall Family Festival, Halloween Parade, Scholastic Book Fair, Winter performance, BINGO night, Movie Night, Family Engagement Nights, awards assemblies that occur each trimester, Back-to-School Night, Open House, parent-teacher conferences, SEAL Gallery Walks that take place every 6 weeks, and other school-wide celebrations and events.
- Parents are invited to attend Parent classes offered throughout the school by the Catholic Charities program to assist with parenting skills, communication, and family literacy. Parents are also invited to join school committees.
- The Seven Trees neighborhood, in which Los Arboles is located, has recently opened the Seven Trees Family Resource Center (FRC). Parents, caregivers, and children can learn and grow together at this center.

2023-24 School Safety Plan

All schools in the Franklin-McKinley School District have a very detailed, comprehensive safety plan designed to ensure both the health and security of all students and staff. The safety plan consists of a wide variety of site drills designed to meet a number of emergency situations that might arise. All school sites within Franklin-McKinley School District practice fire, drop and cover (earthquake), and intruder drills. There are established committees at all sites and levels to review safety procedures, correct any problems that may exist, and expand FMSD's capacity to deliver services when and where needed. In addition, all required drills are calendared, completed, and evaluated with the results being communicated to all staff and parents in the medium of the school website and via email from an administrator. The School Safety Plan is reviewed, updated, and discussed with the school (faculty on 12/14/2023, students on 12/14/2023, law enforcement on 12/14/2023, and ELAC/ SSC on 12/14/2023) and approved by the Board of Trustees each year before March 1.

Professional Development

The primary areas of focus for our professional development in FMSD schools is training our staff to support the goals outlined in the district Local Control and Accountability Plan (LCAP).

FMSD provided teachers with professional development that emphasized the district focus, "Learning to Read" before students returned to school in August. Staff was provided with professional development opportunities that focused on the newly acquired supplemental phonics programs SIPPS and Sonday, along with sessions on the phonemic awareness program, Heggerty in grades K-2nd. Middle school staff was provided with workshops covering vocabulary instruction and morphology at the secondary level to ensure alignment to the FMSD Literacy Block. Additionally, staff participated in workshops that provided an overview on new adoptions; TCI, K-6 Social Studies and the TK Curriculum, Creative Curriculum for Transitional Kindergarten, California, as well as continued learning in Math, Science, and Writing instruction. New teachers were provided workshops orienting them to the district adopted curriculum and participated in Implicit Bias training. Special Education staff received training on facilitating and writing IEPs, and the requirements for Special Education instruction. Throughout the fall, optional professional development opportunities were provided monthly including topics such as Assessments including ESGI,

Professional Development

NSGRA, FastBridge, Lexia, SIPPS, Sonday, Heggerty, and Orton-Gillingham foundational training.

In January 2024, teachers will participate in a full-day series of professional development. Workshops will align to the district focus, with professional development focused on Tier I instruction. Last school year, all staff were provided training in Implicit Bias from Collaborative Learning Solutions. This year, 2023-24, FMSD provided Implicit Bias training for all new staff and staff who were unable to attend training last year.

Ongoing Professional Learning Communities allow teachers to learn from each other and discuss best practices. All FMSD schools are participating in the implementation of a Multi-Tiered System of Support (MTSS) focused on Tier I instruction and universal access. Four schools (Dahl, McKinley, Los Arboles and Santee) continue to participate in the Sobrato Foundation SEAL (Sobrato Early Academic Language) program. These schools participate in professional development and curriculum support to meet their diverse populations and to help English Learners. Teachers participated in asynchronous training provided by SEAL.
