Heads Letter 5 of 2024

6 February 2024

Dear Parents

**RE: Return to Residential Schooling**

As we approach the end of the challenging period of online schooling, I regret to inform you that the anticipated permission to reopen residential schooling before February 12th has not yet been granted. We will, therefore, resume lessons promptly at 07:00 on Monday, February 12th. The boarding houses will be open to returning students from Saturday afternoon.

Due to this delay, we are adjusting the school calendar, which will be communicated to all concerned parties by Friday, February 9th.

I want to express my gratitude for your resilience and understanding during this trying time. Please rest assured that we are fully committed to ensuring that your children make the expected academic for 2024.

Warm regards
