How Does This Library Work?

This **Little Free Library** offers a way to share good things to read—favorite books from your childhood or books you would recommend to friends; books that teach, intrigue and engage you. All of us can help by keeping this collection stocked with good reading material.

Whose Library is this? It belongs to everybody—neighbors, friends, and people we don't even know yet. Anyone can use it. That's why we want to take care of it.

Take a book. If you see something you'd like to read, take it. You don't have to give a book at the same time as you take one.

Share a book. After you've read it, share it in any Little Free Library book-sharing box, bring it back here, or pass it on to a friend. Be a friend of all libraries, big and small. Share books whenever you can.

Little Free Library is a nonprofit organization that inspires a love of reading, builds community, and sparks creativity through neighborhood book-sharing boxes.
