Click on the Allow button so Notability can send your files to Google Drive

 Sign in with Google

Notability wants to access your Google Account

This will allow  Notability to:

 See, edit, create, and delete all of your Google Drive files 

Make sure you trust Notability

You may be sharing sensitive info with this site or app. Learn about how Notability will handle your data by reviewing its [terms of service](#) and [privacy policies](#). You can always see or remove access in your [Google Account](#).

[Learn about the risks](#)

Cancel 

Notability will perform the Backup. You may see an icon that looks like a spinning circle. When the circle stops spinning, the Backup is finished.
