

WEB Crew 2023-2024 and Your 6th Grader !

What is WEB?

The purpose of WEB (Where Everybody Belongs) is to provide positive peer relationships among students who want to learn ways to include incoming 6th graders and new students into Hutchinson Middle School life. These 8th graders are specifically recommended by teachers to be the future leaders for our school and have the leadership skills, grades, and social skills to create lasting friendships both on and off the Hutchinson Middle School campus !!!

Putting an End to Bullying One Friendship at a Time!

How Will My Child Benefit From Having a WEB Leader?

- **Middle School Orientation** - WEB Leaders and 6th graders start building the mentor relationship, and 6th graders receive information about how to be successful in middle school.
- **Academic Follow Ups** - WEB Leaders support 6th grade academic success and character development through structured "check-ins".
- **Social Follow Ups** - WEB Leaders and 6th graders connect outside the classroom at social events to increase student engagement, and promote positive school climate.
- **Leader Initiated Contacts** - WEB Leaders connect with their 6th graders on a more individual basis. Our student leadership program focuses on easing the intimidation 6th graders may feel as they enter their new school. By making them feel welcomed and at ease in their new surroundings, incoming students are able to focus on thriving at their new school both socially and academically.
