- School Site Council was provided with SPSA Goals including a program that is Science/ELD embedded for our 7th and 8th grade class. It allows for our EL's to take an elective of their choice. We are in our first year of implementation. Data used will be our ELPAC given in February. Grades are also being used to evaluate outcomes and next steps.
- Counselors are currently running small groups for our EL's. Pre and post data will be reviewed for next steps. Students will be in small groups for 6 weeks.
- Each student met with their counselor or teacher to review their 2023-2024 Road to Reclassification and discuss supports in order to reclassify students.
- ELAC members were satisfied with the current programs and services for EL's and did not provide any advice to our School Site Council.
