Re: International Exchange Agency Deadlines

This is a reminder that the deadline to receive student applications is July 8, 2024, for the 2024-2025 school year. Please be advised that the Volusia County School District will not consider applications submitted after July 8, 2024.

In addition, your agency's annual compliance form should be submitted to my office no later than April 8, 2024. We will only accept student applications from agencies that have submitted their annual compliance form.

We are now accepting student applications for school year 2024-2025.

Thank you in advance for your cooperation and assistance in honoring the deadlines established by Volusia County Schools.

Sincerely,

A handwritten signature in black ink that reads "Dr. Grace Kellermeier".
