

Level MB/MT Studio Design Scholarship

Level MB and MT Studio seek to integrate the architecture and construction process for the benefit of our customers. For more information about our company, check out levelmb.com or mtstudio.com.

To the Applicant:

Please complete the following application. The employees of Level MB and MT Studio will then review your application in order to assess your eligibility for receiving funds to help with your post-secondary education. You must be majoring in a design or construction-oriented field such as architecture, interior design, graphic design, industrial design, construction management, landscape architecture or fine arts. This is a \$1,500 scholarship award. Due Monday, April 1, 2024.

Applicant Data:

Name (Last)	First	Middle
-------------	-------	--------

Address

Phone

Name of parent/guardian: _____

Phone _____

Name of intended College	Intended Major
--------------------------	----------------

Applicant: Please list any design-oriented projects that you have completed during your high school career. Please include a photo (if you have one) or brief description of each project. These will not be returned to you.

Also, please include a paragraph that outlines your college and career goals.

To be completed on or before Monday, April 1, 2024.
