

# VCS Instrument Classes

VCS Instrument Classes is an exciting program available for 3rd-8th Grade students. This is a great way for students to study an instrument with their friends and reinforce skills learned in the daytime music program. This program will last for thirteen weeks and allows for students to learn flute, clarinet, saxophone, trumpet, or trombone in a group setting. Level 1 classes are geared toward students who are brand new to the instrument; Level 2 classes are for students who have already taken a group class on their instrument.
