

School Annual Education Report (AER) Cover Letter

February 12, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Grogan Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Andrew Himick, Principal, for assistance.

The AER is available for you to review electronically by visiting the following website [Grogan Combined Report](#) or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as Additional Targeted Support school.

The school improvement goals continue to target all students being proficient in literacy and mathematics. The initiatives we have put in place include Multi-Tiered Support Systems (MTSS), Positive Behavior Intervention Supports (PBIS), and Social-Emotional Learning (SEL). We have also implemented the NWEA assessment, which allows us to see student growth over time, as well as the areas of need for individuals and groups of students. We use NWEA data to support our MTSS and Block Scheduling programs that utilizes targeted small group instruction based on academic needs whether remedial or enrichment.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Southgate residents are assigned to our elementary school based on where they live. Each building has home school boundaries. Parents register at their home school. School-of-Choice students are assigned to each building based on the student population in each grade level.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Southgate continued the school improvement process in accordance with Public Acts 25, 335, 339, the federal NCLB, and requirements for Title I using the School Systems Review Report and the School Improvement systems as models. The district's mission statement guided the work of the School Development Teams in each school. <http://www.southgateschools.com>

THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

The Southgate Community School District administers the NWEA assessment three times per year (fall, winter and spring). This is a nationally normed test that shows the academic growth of students over time. This assessment began in our district in the 2018 - 2019 school year.
