Meet The School Counselor

Hello, my name is Mrs. Denise and this is my first year as a school counselor. Over the past five years, I've had the privilege of supporting students in a similar role, and I am thrilled to extend that support to your children. I am eager to collaborate with you all in fostering a positive school culture for our students. Looking forward to a wonderful journey ahead!

Referral Process

Students may be referred for counseling services as deemed necessary by parent/guardian, teachers, administrators. If interested in services, please complete a referral form to help us determine the appropriate level of support for the student: School Counselor, SSS, Clinician or outside services.

****Parents referrals are located in the front office**

School counselors play a vital role in supporting students' academic, career, and personal development.
