Community

Chanhassen High School is a public high school for grades 9-12 located 25 miles southwest of Minneapolis, Minnesota. It is part of Eastern Carver County Schools, which serves approximately 9,100 students in grades K-12 from the communities of Carver, Chanhassen, Chaska and Victoria.

Our high school program supports our commitment to preparing all students for post-secondary success. Our commitment is personalized learning. That means continuous progress in our elementary schools, personalized plans starting in middle school, and high schools that are small in size yet offer college preparatory courses and comprehensive curricula.

Students choose electives from four Areas of Interest designed to offer depth in an area relevant for their emerging passions and interests.

The Areas of Interest are:

- Arts and Communication
- Global Studies
- Health & Social Sciences
- STEM – Science, Technology, Engineering & Math

Within each area, students select a Program of Study to deepen and focus learning.

Transcript Information

Official transcripts, including a student's academic credits and grade point average (GPA), are sent with an embossed Chanhassen High School seal. Our school does not report rank or percentile ratings. GPA includes all classes weighted equally.

Eastern Carver County Schools' commitment to providing a premier education requires a transition from a traditional grading system to a standards-based reporting system at the course level. This system provides clearer and more comprehensive information to students and families about what, specifically, a student has learned. All final course grades are reported as a letter grade and calculated into the cumulative GPA in a standard format.

A = 4.0, B = 3.0, C = 2.0, D = 1.0, F = 0
