#### CLASS SIZE

Median class size.

#### REGULAR ATTENDERS

Students who attended more than 90% of their enrolled school days.

### Academic Success

#### ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

#### MATHEMATICS

Students meeting state grade-level expectations.

#### SCIENCE

Students meeting state grade-level expectations.

### School Goals

Indian Hills provides rigorous, relevant, and engaging learning opportunities for all students. We focus on increasing students' use of academic language by providing regular opportunities for students to speak and write about their learning, which leads to a deeper understanding of concepts across all curricular areas. In addition, our goal is to increase achievement in math through the use of high quality curriculum that is aligned to standards. We also hold high expectations for students' effort and growth.

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

We recognize the diversity and worth of all individuals and groups, and are committed to both educating and providing a safe and inclusive space for everyone regardless of their race, color, religion, immigration status, or any other basis. We believe that students learn best when they feel safe and valued. Our staff is skilled, caring, and dedicated to fostering each student's academic and personal growth in a supportive and welcoming environment.

### About Our School

#### BULLYING, HARASSMENT, AND SAFETY POLICIES

We value safety and see that as our number one priority. To that end, we have a network of adults, systems, structures, protocols and other supports we leverage to keep our school as safe as possible. From background checks of staff and volunteers to our partnership with local law enforcement, we keep safety at the forefront of our daily activities. To learn more, please visit [www.hsd.k12.or.us/keepingstudentsafe](http://www.hsd.k12.or.us/keepingstudentsafe). Ensuring safety also means that positive, respectful, and responsible behavior is expected at all times.

#### EXTRACURRICULAR ACTIVITIES

Our school offers several academic-focused extracurricular clubs such as STEM, Chess, and Engineering.

#### PARENT ENGAGEMENT

There are many ways parents can be involved with their child's education at Indian Hills. We start off with a Kinder Orientation as well as a 1:1 meeting with the teacher before school starts to connect with students and families to get a preview of the year ahead. We then host a Back-to-School Night that focuses on specific learning goals and provides parents with tips on how to support their child at home. We end the year with a Science Night, showcasing students' science and engineering projects. In addition to these events, our PTO hosts monthly events such as movie nights, BINGO, paint nights, and more.

#### COMMUNITY ENGAGEMENT

Indian Hills partners with a variety of community organizations to provide opportunities for our students and families. Examples include our Champions after-school program, Boy Scouts, Girl Scouts, and Intel.
