School Goals

In 2022-23, we used language scaffolds across grade levels to increase academic discourse in the target language (English or Spanish). This supported our efforts to increase the number of students meeting grade level standards in math and reading. We also focused on student engagement through differentiated, culturally and socially relevant instruction. Students felt a sense of ownership and belonging. We also focused on increasing our professional development efforts. We believe in each student's potential and in creating a community of respect, responsibility, and safety for all.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Minter Bridge recognizes the diversity and worth of all people. We are committed to educating and providing a safe and inclusive space for everyone, regardless of race, color, religion, immigration status, or any other basis. We believe that students learn best when they feel safe and are part of a community. Our staff members are skilled, caring, and dedicated to fostering each student's academic and personal development in a supportive environment.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Our number one priority and goal is to ensure students are safe. To that end, we have a network of adults, systems, structures, protocols, and other supports we leverage to keep our school as safe as possible. To learn more, please visit www.hsd.k12.or.us/keepingstudentsafe. Ensuring safety also means that positive, respectful, and responsible behavior is expected at all times. We do not tolerate bullying and/or harassment. To learn more about the District's definition and response to bullying and/or harassment, please see Board Policies JFCF and JFCF-AR: Hazing, Harassment and Bullying, as well as the Standards of Student Conduct.

EXTRACURRICULAR ACTIVITIES

We offer Band, Family Fun Nights, Champions After-School Care, Student Leadership Team, Lectoria, and events organized by our Parent-Teacher Association. We also have a Parent Advisory Committee, which is a group that supports us in engaging with families to get input on district programs and policies in order to better serve our students. Through PAC, we have a formal structure of gathering input directly from families of students who identify as Black, Indigenous, and People of Color.

PARENT ENGAGEMENT

Parents know their children best, and we welcome parents as partners in their child's education. Please join us in the following activities: Ice Cream Social, Back-to-School Night, Career Fair, ParentVUE, Parent-Teacher conferences, Family Science Fair Night, Chat with the Principal, Dolphin Dash, Parent Teacher Association, and our Parent Advisory Committee. In the coming school year, we are working to create a volunteer program called the Dolphin Pod to engage our parents with more volunteer opportunities.

COMMUNITY ENGAGEMENT

Examples of our community engagement include Lectoria, Career Fair, Intel Volunteers, and Backpack Projects.
