Week of June 9, 2014

District News: Last Days of School. It hardly seems possible, but we've reached the end of another school year! Please note that there will be **no academic seminar on Wednesday, June 11**—all students will start and end school at their regular time. The 11th will also be the last day of school for students in AM/PM kindergarten. The last day of school for students in full-day kindergarten and grades 1-11 is on Thursday, June 12—release times on this day will be *three hours earlier than normal*, and school lunch will still be available. This will be the final *Hot News* until late August, but we will still be sending out *Board Reports* the week following each regular session. Stay tuned to our website for updated District information over the summer, or feel free to reach out to the Communications Department at any time.

Other important notes: Don't forget dad this weekend—**Sunday, June 15, is Father's Day!** Have an amazing and safe summer!
