Week of April 28, 2014

District News: District Science Fair is Thursday, May 1. Please join us for our annual District Science Fair on Thursday, May 1, from 6-7pm at Liberty High School. The fair showcases the best inquiry skills in science and engineering from each of our elementary schools and is made possible by generous support from Synopsys. Though the fair is non-competitive, we do ask for volunteer judges to review the projects and talk to students about their work. If you are interested in being a judge, please contact [Chris Steiner](#) for more information.

May is Walk + Bike Challenge Month. Schools are invited to join the Walk + Bike Challenge, hosted by the Bicycle Transportation Alliance (BTA), in which the number of students biking, walking and skating to school are recorded throughout the month of May. At the end of the Challenge, prizes go to schools that log the most biking trips, the most walking trips, the largest total number of students walking and biking, and the highest percentage of students walking and biking. Click [here](#) for more information or to register your school.

Calendar Alerts. The final Superintendent [Coffee Chat](#) is this **Tuesday, April 29, 7:30-8:30am at Longbottom**; Hillsboro Police Department is hosting their annual [Shred Event on Saturday, May 3, 8am to noon](#) at the Main Post Office (125 South 1st Ave.)—\$5 suggested donation with all proceeds benefiting our high school grad night parties!
