District News: Answer the Call for the Hillsboro Schools Foundation. The annual Phone-A-Thon for the Hillsboro Schools Foundation is taking place this week: April 21-24. Students from clubs/organizations at our four high schools will be calling parents and other community patrons asking for your support. Money raised through the Phone-A-Thon helps support innovative education grants in our schools, after-school homework and enrichment activities, and even provides direct funding to the student groups who are making the calls. Last year, \$10,000 was donated to these clubs! Thank you very much, in advance, for your participation and support!

Administrative Professionals Day. Wednesday, April 23, is Administrative Professionals Day, so please take a moment to thank our amazing staff members who fill administrative support roles!

Calendar Alerts. The next Superintendent [Coffee Chat](#) is this **Wednesday, April 23, 8:30-9:30am** at the South Store Café in Scholls; the **Special Education Parent Partnership** meeting is also **Wednesday, April 23, from 5:30-8pm** at the Northwest Regional ESD (5825 NE Ray Circle, Hillsboro).
