Additional Community Boundary Meeting Scheduled for Thursday. Following our community meetings on February 12, 18, 19 and 20, at which we shared the 4th evolution of our boundary proposal, all feedback was reviewed and additional changes were made to the proposal for the Liberty feeder group. Therefore, we have scheduled another community meeting for Thursday, March 6, from 6:30-8pm in the Quatama Elementary School cafeteria. Quatama families, especially, are urged to attend this meeting to learn about the current proposal and how it might impact them. A packet of information for the meeting, including a summary of changes and maps, is available [here](#). Spanish translation will be available.
