District News: Immunization Clinic at Century School-Based Health Center. Exclusion day is Wednesday, February 19, meaning that students who are missing any of the required vaccines (and without a valid medical or religious exemption) will not be allowed to attend school until they are in compliance. To assist in getting students the vaccines they need, our school-based health center (1998 SE Century Blvd.) will hold extended hours on the 19th: from 7am to 6pm. Click [here](#) to see a flyer with more information, or call 503-844-2840.
